State Game and Fish Commission issued 3,980 permits last year to legally kill doe in Medina County. There were 324 owners receiving the permits in a period of five and one-half years. Doe season opens Dec. 1. Doe season opens today, Dec. 1. County Judge Arthur says a lot of deer have been migrating to other parts of the county lately. The Hondo Chamber of Commerce has a list of doe leases available in Medina County.

Hondo Air Base Wives Club is sponsoring a special project to meet every Thursday at 7:30 at the Officers' Club for a first aid class conducted by the Medina County Defense Unit. Sixty persons signed up and any other women in Hondo wanting to attend may do so. The course is taught by H. H. Tausch, chief of Texas Aviation Inland Fire Department.

Hondo Air Base Falcons football team needs some time and score keepers. Any woman wanting to volunteer, without pay, to help out should contact Frank Bless or Jim Amber, extension 158 at Hondo Air Base headquarters. All home games will be open to the general public free of charge. The Falcons are supposed to have one of the best teams in the nation this year. They defeated Kelly Wednesday 59-49.

November 29 will be observed as Thanksgiving, all day for that week's paper will be turned in before Wednesday. Tuesday night will be the time for news stories unless they are of the utmost importance. The paper will be printed Wednesday instead of the Thursday publication deadline.

Schuchart and son of Rio Hondo placed in the Hereford Steer-Feeder Sale held in San Antonio last week. They placed second in Hereford steers, pen lots of head and fifth in Hereford heifers, pen lots of 10 head.

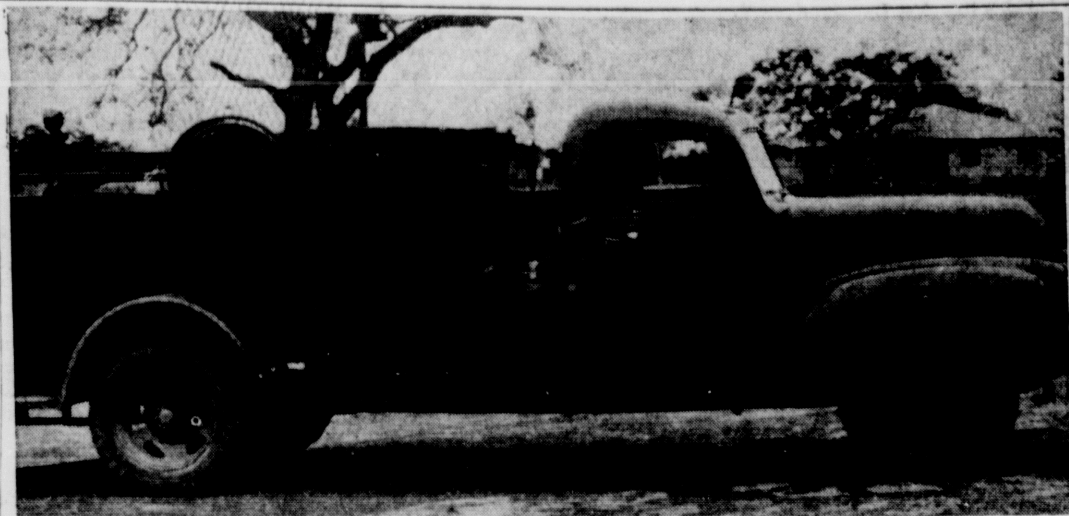

Capt. Siegfried H. Luckenbach, German liaison officer for cadets, is now stationed at Lackland Air Force Base, spoke to the Hondo Lions Club Wednesday. Luckenbach is in the German Army, temporarily stationed at Lackland. There are 19 cadets from Germany at Hondo Air Base. Lt. Col. Bert Taegtmeyer, German Air Force representative in NATO, and Lt. Ernest M. Paulsen, with the German embassy in Washington, were guests at the meeting. The group toured Hondo Air Base following the Lions meeting.

Highway 90, just outside Hondo City Limits, has been worked lately. The Highway Department has re-shouldered each side for about five miles.

Medina County citizens voted approval of Amendment to the Constitution of the State of Texas Tuesday by a 2-1 margin. There were five precincts closed and one voting box not reported as of press time. Heaviest vote was cast in Devine, where 66 persons turned out, all voting for the amendment. North Hondo, Verdine, Yancey, upper Hondo and Edinburg did not hold elections. CUD did not report returns.

THE WEATHER

THE LACOSTE LIONS CLUB, sponsors of a city and community-wide project for the purchase of fire fighting equipment, have purchased the above truck and equipment. The purchase was made Oct. 29, and contains all equipment necessary to successfully combat

fires. The Lions Club recently obtained its charter through the State of Texas and will operate under the name of the LaCoste Lions Club Volunteer Fire Co. The club still needs funds to complete their project.

Termed Successful

Medina Fish Kill

Success of the selective fish kill on Medina Lake, the first large-lake project in Texas employing the use of liquified rotenone, was "very good."

The lake, which received a complete fish kill in the fall of 1950, was treated by the G&F

Commission to remove most of the game fish's abundant food supply — gizzard shad — and other rough fish.

Eight biologists, 16 field assistants and five game wardens converged on the lake Wednesday morning, Nov. 1, and had completed spraying — both on the surface and underwater — by 6 p.m. Wednesday.

Regional aquatic biologist Elgin Dietz of San Marcos, who was in charge of the project, said the cold water temperature, around 63 degrees Wednesday, slows the killing process, and, after first rising to the surface, the fish will then sink to the bottom, where they will bloat and rise again. He also said the chilly temperature helps in obtaining a better selective kill.

Friday, shad, carp, buffalo and other fish killed by the rotenone were floating on the surface and available to commercial fishermen and the public.

Many fishermen moved in early Wednesday to net what fish came to the surface. Although game fish are not affected to any large degree by the selective kill process, about two to three percent of the fish destroyed normally will be game fish.

Thousands of shad, most of

which measured from two to three inches in length, began popping to surface within two hours after the spraying got underway, and a few game fish — white bass, black bass, catfish and crappie — were being netted by boaters.

But Martin Toole, the director of inland fisheries for the commission who was on hand to watch the operation, said it appeared the game fish loss may run less than one per cent.

Post Office Announces Holiday Date

Although the Hondo Post Office will be closed Nov. 29 instead of Nov. 22, in order to observe Thanksgiving Day in keeping with other Hondo business houses, the rural route and two star routes operating out of Hondo will be required to observe Thanksgiving Day on Nov. 22, as that day is the official government holiday.

Therefore, patrons of the rural route and the two star routes will not receive mail delivery Nov. 22, but will have their mail delivered on Nov. 29.

Fred Grube Buried In Hondo Nov. 3

Funeral services were held Nov. 3, 1956 for Frederick Rudolph Grube, 74, a Hondo resident.

Born Nov. 20, 1881, Grube died Nov. 1, following an eye operation. He had two other previous eye operations before his death.

Grube was born in Washington County, near Brenham, and later moved with his parents to Maxwell. From there, he moved to Port Lavaca and then back to Maxwell, where he met and married Miss Selma Schawe.

From Maxwell, he moved to Reedville, where he operated a general store. In 1924, he sold his business and moved to Hondo with his family, where he followed the profession of farming.

A member of St. Paul's Lutheran Church, Grube is survived by his wife and six children, Otto of Hondo, Louis and Frederick of San Antonio, Mrs. Alma Breiten, Mrs. Melanie Graff and Mrs. Dorothy Neumann, all of Hondo; 15 grand children and eight great grand children.

VFW Honors War Dead In Hondo

Hondo's VFW Post 3891 assembled near the Veteran's Memorial monument Veterans Day to pay tribute to comrades who served in all wars.

Post Commander C. W. Johnson invited the squads attention and remarked, "As long as two comrades survive, so long will the VFW render tribute to our heroic dead. This monument represents the resting place of many departed comrades who served in all wars. Our presence here is in solemn memory of all these men — it is an expression of our tribute to their devotion to duty, their courage and patriotism. By their service on land and sea and in the air, they have made us their debtors, for the flag of our nation still flies over a land of free people."

Following Johnson's remarks, the Post Chaplain read a prayer and Harry Freeman, a past Post commander, placed the symbol of remembrance, a wreath of red, white and blue flowers, on the memorial. Following this, Johnson ordered a hand salute to end the services.

Early Mail Helps

Postmaster Harry E. Filleman, who launched his 1956 "Mail Early For Christmas" Campaign today, believes a word or two to the wise will help make your Christmas and those of your friends and loved ones as merry as it should be.

With Christmas only a little more than a month away, the Post Office is geared up right now to insure the delivery of all gift packages and Christmas

New Teacher Hired In Local School

School Superintendent J. G. Barry found a high school Spanish and English teacher among his own ranks. Mrs. Kathleen Finger, who has been teaching in the first grade, majored in Spanish and English and has studied Spanish in Mexico as well, so she has been shifted to that position.

Teaching her first graders is Mrs. Dorothy Love, wife of a student officer at Hondo Air Base, scheduled to be here until June. The seventh and eighth grade arithmetic position is being temporarily filled by Mrs. Young, also the wife of a student officer, until after Thanksgiving when Mrs. Jack Trees will take over the work. However, Mrs. Trees' husband is scheduled to graduate with the Jan. 5th class at Hondo Air Base, so the position will again be open at that time.

The high school and eighth grade openings were open after the resignations of two teachers about three weeks ago.

Ike's Percentage Shows Drop In Medina County

Contrary to many places in Texas, the Medina County vote which Eisenhower received in the Nov. 6 election this year fell below what he received in 1952.

The total vote was down from 5,046 in 1952 to 4,502, but Ike's percentage of votes dropped also. In 1952 he got 3,203 or 63.8 per cent of the total votes cast. This year the figure was 2,668 or 59.2 per cent of the votes tallied.

Oil News

New Well Staked In County

By Dick Tatum

A new wildcat slated for Medina County has been staked by Charles Pegg, San Antonio operator. It will be a 1,800-foot test effort on the T. Warren Carter land 12 miles west of Devine.

Ten new field locations have been reported.

In the Taylor Ina field, Bab Oil Co. has staked three, and L. M. Lockhart has located five.

Chicon Lake field also has two new locations.

Bab Oil Co.'s wells all will be 1,000-foot testers and are located 8 miles south of Hondo on J. N. Wilson's land.

Lockhart, a San Antonio operator, has staked his five 1,000-foot test efforts on W. B. Melton's land 8 miles S. E. Hondo.

None of the Taylor Ina locations will be developed immediately.

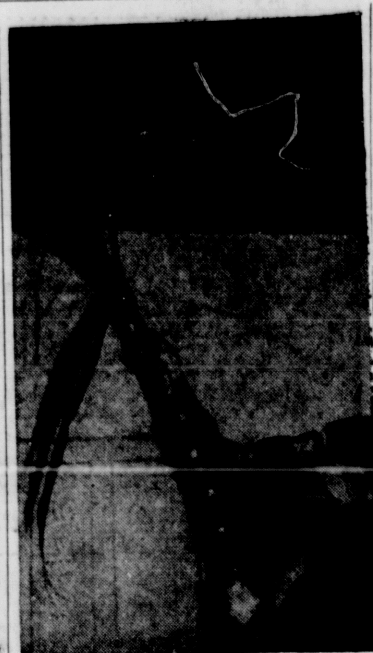

A. E. McKenzie has spotted a 500-foot tester on the A. C. Inken place 5 miles S. W. LaCoste in the Chicon Lake field.

A 1,000-foot tester has been staked by Ben & Louise Ruby, of LaCoste. It will be known as the No. 1 Ben F. Ruby and is located 2 1/2 miles S. W. LaCoste.

Another dry hole is a Taylor Ina field area wildcat drilled by Lundell, Inc. and W. H. Doran Jr. This was drilled to 1,220-feet some 10 miles S. E. Hondo.

The Fairfield Oil field, H&L Sales got an Anacacho producer 1 mile north of Lytle in completing the No. 1 Janie Ruth Foster. It is getting 28 bbls. daily of gravity 24 oil from 1,350-feet.

In the same field, H&L Sales completed the No. 1 Richard Wanjura at 1,350-feet for 13 bbls. daily of gravity 24 oil from the Anacacho lime.

Will E. Scott

Sugar Cane Produces With Water

Casting water upon your sugar cane makes it come back in gallons of molasses and it has been proven by W. E. (Will) Scott who farms and ranches near Hondo.

Scott visited relatives in Houston two years ago and brought home two small cuttings. The first year, with irrigation, the two cuttings produced 104 stalks of sugar cane. This year, after planting all 104 cuttings, the yield is about 1/4 acre.

The 14-foot stalk Scott is holding in the above picture, is the prize of the lot. He said that most of the stalks will average around 5-foot growth.

"I plan to enjoy some real good molasses," he commented, "and if the soil is conducive to the flavor of the cane, then it should be some of the best molasses I've ever made."

Scott said that 7 stalks 5 feet long will yield one gallon of juice, and seven gallons of juice will yield one gallon of molasses.

Fine Will Not Exceed \$100 For Violations

The Hondo City Council has adopted an ordinance regulating traffic on certain streets and at certain street intersections and set a fine not to exceed \$100 for violations.

Stop signs will be erected on all streets entering Highway 90 except where traffic lights are installed. Traffic lights are now at the intersection of Ave. M and

the highway and Ave. K and Highway.

Other stop signs will be placed on 14th St., where it intersects Cactus Ave. to stop approaching traffic entering Cactus Ave. from the west. Yield right-of-way signs will be placed on 14th St. at the intersection of Ave. F., the swimming pool road on Hondo Municipal Airport. A stop sign will be placed on 14th St. at the intersection of Highway 90.

Ave. Y, from the intersection of 14th St. south, has been designated a through street by placing stop signs on intersecting streets to 18th St. Ave. U, from 14th St. to 30th St., will be a through street with the exception of the intersection of Highway 90, where a stop sign will be placed. Ave. M will be a through street, except at the intersection with 30th St., where the city will place a stop sign.

The Council has designated 22nd St. a through street, except for school zones. Stop signs will be erected at the intersection of 22nd St. a through street, except for school zones. Stop signs will be erected at the intersection of 22nd St. with Avenues M, O and U. All other streets intersecting 22nd St. will have stop signs placed at the intersection. A stop sign will be placed on 16th St. at the intersection of Ave. K, for west bound traffic. Yield right-of-way signs will be placed on 16th St., approaching Ave. K from the west. Stop signs will be placed on 17th St., at the intersection with Ave. K, where Ave. K traffic is going west, at the intersection of Ave. K and 18th St., with the sign being placed on Ave. K; and Ave. K, at the intersection with 20th St.

Twentieth St. has been designated a through street, with signs on all intersecting streets, except Ave. E, Ave. M and Ave. R. Stop signs will be placed at intersecting streets at Ave. Q and 22nd St. on each corner. Ave. P, from Highway 90 to 30th St., will be a through street except for the intersection of 20th and 22nd Streets with Ave. P.

The Council has designated 30th St. as a through street with stop signs at all intersections approaching 30th St., except Ave. E and Taylor Lane.

The new ordinance was adopted Nov. 8, and is number 62 on the city books.

D'Hanis FFA Wins Contest

A team from the D'Hanis FFA Chapter placed first at the Area Leadership Contest which was held in San Marcos Saturday, Nov. 10. There are 5 districts in Area VII which is made up of 96 schools. Only the top two schools from each district are eligible to compete in the Area Contest.

The D'Hanis team qualified to enter the Area contest by placing first at the Revaldina Contest held in Hondo Nov. 3.

David Finger created history by turning in a perfect score of 150 points. There is no record of this ever having been done before. Other team members were Pat Ney and Junior Tovar. These boys turned near perfect scores of 147 points out of 150. Alternate team members were Tommy Ney and Charles Edmondson.

The entire team will travel to Huntsville Dec. 4 and compete in the State Leadership Contest to be held at Sam Houston State Teachers College there. Only the top team from each of 10 areas in the state will compete there.

Winners in the various events at the Contest were as follows: FFA Quiz Contest, D'Hanis first, Marble Falls second and Fredericksburg third; Senior Chapter Conducting Contest, Devine first, Hondo second and Luling third; Senior Farm Skills Contest, East Central of San Antonio first, Mason second and Hondo third; Greenhand Chapter Conducting Contest, Luling first, East Central second and Comfort fourth; Greenhand Farm Skills Contest, Kyle first, Natalia second and Fredericksburg third.

The Council has designated 30th St. as a through street with stop signs at all intersections approaching 30th St., except Ave. E and Taylor Lane.

The new ordinance was adopted Nov. 8, and is number 62 on the city books.

D'HANIS FFA TEAM members who won first place in the area leadership contest held in San Marcos last Saturday, are, left to right, Junior Tovar, Pat Ney, David Finger, Charles Edmondson and Tommy Ney. Finger is holding the plaque the group won. He also created history when he scored a perfect score of 150 — it was the first time this had been done.

AMOS HARLEE receives the politest person of the month award from Mrs. E. B. Vincent, publicity director for the Business and Professional Women's Club. Harlee said "he was overwhelmed with joy and would like to express my appreciation to the club for choosing me as Hondo's politest person of the month."

Moye Sets Parade Sunday

Moye Military School will hold its Recruit Prize Drill, followed by a Retreat Parade, Sunday, Nov. 18, starting at 4 p.m.

Cadets competing are those who had no military training prior to entering Moye last September. Their test will consist of "The Manual of Arms," plus Manual of Arms No. 1 and No. 4. The winning Cadet of each company will receive a bronze medal.

Master Sergeant Carter, of Randolph Field, a veteran of 18 years service with the Air Force, will judge the contest. Sgt. Carter has two sons enrolled as Cadets at Moye.

The awards will be made by Capt. Richard J. Schott, of Lackland Air Base. Capt. Schott will also take the salute at the Retreat Parade.

There will be about 12 Cadets from San Antonio competing in this contest. While there always is a big attendance of parents and friends present at Moye's Sunday Parades, still the Sisters of Divine Providence, who operate Moye Military School, want the general public to know that it too is welcome to see any or all of the school's Sunday Parades.

Playoff Game Set For Owls Nov. 23

Blanco and Hondo school officials met in San Antonio this week and set Barry Field as the site for the bi-district playoff game Nov. 23.

The Owls, champions of District 28-A, have gone through 21 consecutive games without a scoreboard defeat. Blanco is a member of District 27-A.

Blanco officials said Hondo's football stadium had more seats and was in better condition than the one at Blanco and no coin was flipped. Game time will be 8 p.m.

A day at sea is divided into six periods of four hours each. John Paul Jones was the first great U. S. naval hero. The seven wonders of the modern world are the airplane, radium, antiseptics, antitoxins, X-ray, radio and the telephone. PBX, referring to small switchboards, means Private Branch Exchange.

Case For Small Farmers

An alarming note has been struck in the hearts of farmers to whom living directly from the land they own has become a way of life.

The word comes from the fogged thinking of armchair economists who say "The Day of the Small Farmer is over".

Such a statement is a direct slap to the principles of Democracy.

If the day of the small farmer is over, so is the day of competitive free enterprise, the basis of our economy. If the small farmer is being sucked under by forces of "The Times", then times are bad.

These armchair strategists have said that big, corporate farms are the modern, efficient way to keep agricultural economy running right. They say that whether we like it or not, that's what farming should come to.

Such thinking is preposterous, and for a number of reasons.

In the first place, most people who own and operate farms and ranches are there because, however tough and confining the work, that's what they would rather do than anything in the world. They're not there primarily to get rich, although their investment certainly warrants them a decent living. They're here to live and raise their families next to the soil.

They are proud, too, these small farmers. Proud of their independence and proud of the land they hold. That's why the price of land is dear even in the face of farm depression and drouth as it exists today. Their land is more than a piece of property, and a title; it is a symbol of their freedom to live and work as they choose.

Should this freedom ever be infringed on through monopolistic greed, the food and fibre resources of this nation would be in grave danger. More than that, the millions of small businessmen who owe their survival directly to circulating farm economy would be dashed to ruin.

And when it gets right down to doing the chores and planting and harvesting the crops, there must be a farmer on the spot to do it. Would these high-minded revolutionists reinstate tenant farming to solve a labor problem on large, corporation controlled farms?

The independent farmer who grew up from the nightmare of tenancy through his own honest effort and the processes of a democratic government does not desire to release what he has gained. Nor does he want to become a "Hired Hand" in a "Large Farm" system.

Whatever the times are, the small farmer has a vital place in them. So long as America is free, it will be that way.

A Town's Inventory --

An Indiana city was spurned by a large manufacturing company looking for a plant site. The city asked why. This is the answer the company gave:

- Too many houses showed lack of upkeep.
- Traffic control was poor.
- The business district looked as though it had not been changed since 1900.
- The city's water came from one river. Raw sewage was dumped into another near the junction of the two rivers.
- Hotel and restaurant accommodations were inadequate.
- Schools and hospitals were overcrowded.
- There was no effective zoning, no master plan.

Seems like a pretty good check list for most any town to keep handy.

How would you rate Hondo on each of the points listed?

	Good	Fair	Poor
Appearances of houses	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Traffic control	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Appearances of business district	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Water and sewage system	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hotels and restaurants	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools and hospitals	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Does your total tally leave you elated, satisfied, disgusted?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Fletcher Davis

OFFERS A REMEDY FOR THE ELECTION BLUES

As A Man Thinketh
Four years ago this columnist chose what he thought was the lesser of two evils in casting his ballot.

Later he found that however "little" of the "lesser" he got, as some forgotten writer explained, that "little" was still "evil". And it made him feel lonely! But this time, with the Republicans keeping their hold on the Administrative branch of the government and the Democrats doing the same with the Legislative, he feels he has lots of company; no one is wholly satisfied; every one on both sides must, according to his way of thinking, accept his portion of "evil".

It is wise when thinking on that which can not be remedied to divert your thoughts to something else.

So we here borrow from the Trestle Board the following with the invitation to join us and "Think on These Things":

Thoughts are things and a man's manner of thinking can spell either heaven or hell not only for himself, but for those about him. The man who has not yet learned how to temper his thoughts about himself has yet to learn how he can think himself into situations from which no one can rescue him but himself.

What you think about yourself has a great deal of influence upon what other people think of you. If you are overly sensitive, if you are imbued with the thought that people don't like you, be warned — the time may come when people won't like you because you won't let them like you! If you go about with the perfectly crazy notion that people are talking about you, you had better start examining your own thoughts and actions to ascertain whether or not you have

given someone the right to wonder at some things.

Don't go around nursing a suspicion that people are picking on you, or that you are being discriminated against because you are in a minority for no fault of your own. Some of the most intolerant people in the world are those who are constantly crucifying themselves on a cross of intolerance. The average fellow who is always bawling the fact that he is the victim of persecution will invariably demonstrate — if given the opportunity — that he is quick to judge and condemn others according to his own yardstick of prejudice.

And don't get the utterly stupid idea that the whole world is against you, because if you do — just as sure as death and taxes, you'll soon realize that your world has shrunk, that its horizons have warped inward and that there are few people within its orbit. The world you encounter as you cross your own threshold each day is more or less a reflection of the world within, and what you see and hear and feel will be pretty much in the color and the tempo of your own thinking.

If you feel kindly toward the world about you, the world will respond in a larger measure than you ever dreamed it would; if you go out into the sunshine with bitterness in your heart, with ill-will and a disposition to belittle others — rest assured that the sunshine will pass quickly and you'll walk alone in bitterness. For thoughts are things, and it is a wise man who knows how to guard his tongue and when to curb his own thoughts lest they lead him into the web of the hangman's knots. — The Trestle Board.

Seco Takes Long-Range View of World Situation

Dear editor:

I went into town yesterday to see what was going on, although generally speaking I have not found that town people know any more about what's going on than country people, they just talk about it more, and from what I gathered from doing a lot of listening everybody is worried about the Middle Eastern situation.

To refresh your memory, though, if you'll recall, for the past ten years or more, the world hasn't gone longer than six to eight months without a new crisis breaking out. We can rock along for a few months without much on our minds, when all of a sudden trouble breaks out in some part of the world, South America, Greece, China, Formosa, somewhere else in the Pacific, Suez, etc., and as each one breaks out, the world tightens its nerves and the newspapers bring out their bigger headlines. After a few weeks, or maybe a month or two, the story begins to fade, and the world falls back on hold-ups, murders, and Hollywood news. Then a few months later another crisis breaks out, and we start all over again.

Understand, every new crisis has to be paid attention to, and you never know when a little one will develop into a big one, but my position is that if a man hasn't learned to live with a fresh crisis around the corner, he might as well learn to.

A crisis in Europe or Asia plays about the same part that football does in this country, only it's more dangerous. On the whole more people get hurt in a crisis than they do in a football game, especially the spectators.

If Europe had something on the order of football, with one country playing another each week like towns and colleges do over here, and if they could throw Russia out of the conference for unethical recruiting, things might be more peaceful, but I don't look for it to happen. After the present Middle Eastern crisis is over, somebody will spring another one. Probably working out right now. It's something we have to live with. If you stop and think about it, every tire on your car sooner or later is going to have a flat. Yours faithfully, J. A.

LETTER TO THE EDITOR

Dear Sir:

We have received letters from ASC office managers in 13 counties in which we have sold feed under the "EMERGENCY FEED GRAIN PROGRAM", warning dealers against raising prices on feeds eligible under the program. The letters all contain a general threat that if prices rise: the program will be discontinued, and feed distributed directly to the consumers by ASC. These letters contain an implied threat that if a dealer raises prices, he should expect cancellation of his Feed Dealer's Agreement.

We have also seen some letters to consumers warning of price gouging and unscrupulous practice on dealers part, implying that all price increases result from greed on the part of dealers. Evidently the writers were not aware that the Law of Supply and Demand was in effect long before price supports, acreage controls and subsidies. Every question has two sides. We will briefly give you a picture of the feed dealers predicament:

(1) Less than 5 per cent of the dealers have storage and finances to carry over one month's supply of merchandise. None in this area are able to. A successful feed man turns his inventory semi-monthly.

(2) We are buying shelled corn 22 cents per cwt. less than we could 30 days ago, due to the fact it is now harvest season in the corn belt. We are selling it 25 cents per cwt. cheaper. No complaints on that.

(3) Four weeks ago we owned oats that were purchased during the Arkansas and Mississippi harvest and hauled in by trucks coming to this area for onions and watermelons. They are gone.

Today we bought oats to come by rail from Minnesota which will cost 20 cents per bu. or 62 1/2 per cwt. more than our last oats. Our selling price is up.

(4) We bought all the ear corn we could store, in fact all we were offered from nearby irrigated farmers in July and August. It has been sold. We are now receiving ear corn from Dimmitt, Texas, a haul of 545 miles. We are paying the same price FOB. Our delivered cost is up 35 cents per cwt. Our selling price is up 15 cents. It will go up again.

(5) Four weeks ago we bought a substantial amount of milo from COMMODITY CREDIT CORP., out of storage at Seguin, 64 miles from our plant using a figure of 18 cents per cwt. hauling in arriving at our cost. Yesterday we called the Grain Division of CCC in Dallas and attempted to buy additional milo maize. We were told that the nearest grain available was at Bishop, and the price 38 cents per cwt. higher than we paid four weeks ago at Seguin. Bishop is 163 miles from Devine. Surely it is worth 7 cents more or a total of 25 cents per cwt. to haul grain 99 miles farther. The net result is an increase in cost to us from CCC of 45 cents per cwt. delivered to our plant. Fortunately most dealers in this area can still locate some milo at slightly lower prices, but eventually we will have to buy all our needs from CCC. If dealers raised prices 45 cents per cwt. on milo within four weeks we would be tarred and feathered.

I sincerely believe our operation is representative rather than exceptional. This is not a person-

al complaint. The entire industry is in sympathy with the drouth stricken farmers and ranchers. We grain men would like to see the drouth broken and a return to normal operations. The cost of handling the red tape connected with the program sometimes exceeds the normal net profit. We are still not complaining if we can serve our customers during this emergency.

It does seem ridiculous, however, for one agency of the government to use the taxpayers' time, money, effort, and facilities, warning taxpaying business men about price raising, when the same tax paying dealers are forced, as a result of our politically entangled farm economy, to purchase their needs from another agency that is guilty of the act the dealer is accused of.

The feed industry is due an apology, but we are not asking for that. We only ask to be treated as sympathetic tax paying neighbors, who hope the drouth ends before our machinery wears out and we are too broke to replace it. We do not appreciate being written to and written about as if we were public enemies.

This letter is not a criticism of any particular County Office Manager. All 14 letters we received mentioned that THE DEPARTMENT had suggested the warnings and implications. We trust that in the future THE DEPARTMENT, whoever and wherever THE DEPARTMENT is will be honest and frank enough to tell farmers and ranchers why dealers must raise prices.

Yours very truly,
DEVINE MILL & ELEVATOR COMPANY
By L. C. Martin

PERSONAL APPEARANCE

By Jerry June Berger

Fourth-grader NELWYN WARD, daughter of the FLOYD WARDS, was rather insulted last Friday when she opened their paper and found that as a winner of the Halloween costume contest she had been pictured but just called the "second place winner". Fact is, we made a couple of calls trying to find out her identity, but she was so well disguised that the persons we called didn't know her either. So if you are wondering who the little devil with the pitchfork was, pictured on our page one last week, it was NELWYN.

Our Hondo High football team consisted of a bunch of really inspired players Friday night, and, in fact, we've not seen them in better form this year. They have certainly come a long way since that Nixon game. ALVIN HARTMAN'S bullet like passes in the Pearsall game would have done credit to a major college team.

Among the very interested spectators were former Hondo High gridgers, RICHARD SCHULTE and JERRY MUENK of the University of Texas and PETE ANGERMILLER of Texas A&M, all of whom graduated last spring and are now playing freshman ball with their respective schools.

And Band Director BOB LEWIS would certainly have felt proud of his young musicians if he could have had some way of peeping in on their performance. They conducted themselves very well under the baton of Drum Major CONNIE SCHWEERS. PAPPALUCCI brought his wife and two-day-old baby daughter, THERESA, home from a San Antonio hospital Saturday.

Perhaps we're wrong, but seems to us that Veterans Day, or Armistice Day as many of the older ones still prefer to call it, means a great deal more to the veterans of World War I than to the younger group. It was such a joyous occasion — their coming home from the Great War, the one to end all wars.

The younger veterans, some of whom have fought in two wars since that time, are a bit more cynical about November 11th although all of them welcome it as a day off from work. We sincerely hope that the day will never need to include veterans of additional wars.

MR. AND MRS. J. E. ULBRICH SR. took advantage of the holiday to begin their move from their home next door to the Medina Co-Op building on 17th Street to their one-story house on Avenue J. The ULBRICHS have grown tired of climbing stairs and are planning to rent the family home. Welcome, neighbors.

Also hard at work Monday were men beginning the finishing up on Hondo's new elementary school building. J. L. LYNCH was putting curbing around the area and the carpenters were working on the interior of the plant.

We took the time to peek into some of the classrooms and, as MRS. MARVIN SCHWEERS put it, "That is quite a change from the first grade room I was in." The layout appears to be most conveniently arranged and it will be a joy to know that our little citizens will be studying in such a pleasant physical atmosphere.

Each classroom is big and well ventilated and windows are placed just high enough so that little eyes won't be looking longingly out at the playground on warm spring days. Closets, with racks the children can reach, and lots of bookshelves are hidden by

sliding doors in each of the rooms and there'll be no excuse for dirty, smudgy papers for a wash basin is right there too.

The rest rooms are tiled which should make cleaning an easier chore.

Carpet grass has already been planted in the patio area of the three building structure.

This Week --In Washington

By Clinton Davidson

Now that the election is over, it is possible to make a more accurate forecast of what the voting effects will be on farm legislation and programs for next year.

The important thing is that neither party, during the campaigning, advocated any major changes in basic farm legislation, other than the dispute over price support levels.

Price supports will again be the big farm issue when the 85th Congress convenes in January, but that was to be expected, regardless of which party won the election. It will be a renewal of the battle between backers of rigid and backers of flexible props.

Except for price supports, there are no big differences between Republicans and Democrats on farm programs and policies. Virtually all of the major farm laws are the result of agreements between congressional leaders of the two parties.

There will be no change in acreage allotments for next year. Cotton and wheat allotments were announced prior to the election. Other allotments will be set in accordance with rules included in present laws.

The soil bank program will be continued, although there are indications that amendments will become a subject for congressional debate. There will be moves to "liberalize" the program, including provisions for raising some of the payment rates and permitting late entry of land threatened by drought or floods.

Measures to strengthen farm income, and especially that of small and family-size farmers, will be emphasized by the President in his January message to Congress. While Democrats and Republicans may not agree on methods, there will be no disputing the objective.

Soil conservation and special measures to ease the effect of periodic droughts in the Great Plains states will get bi-partisan support. Those problems are recognized by leaders of both parties in Congress as among the most urgent to be considered.

Research to develop new industrial uses for farm products will be pushed. Special committees of experts have been working on that since Congress, earlier this year, authorized a study to develop a program costing up to \$100 million a year.

The Brannan Plan for removing most price supports and then making direct "income" payments to farmers was junked six years ago, by a Democratic Congress and President, and hasn't one chance of a snowball in July. It won't have a handful of backers in the new Congress.

There is talk of a food stamp plan under which the government would make surplus foods available, either free or at reduced prices, to low-income families. That was done during the depression '30's, and there is a possibility — but not probability — that it will be revived in 1957.

HIGHLIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

AUSTIN, Tex. — General election results, nationally, have added new suspense to the already tense issue of who will succeed Texas' Gov-Elect Price Daniel as U.S. Senator.

At stake is whether Democrats or Republicans will control the U. S. Senate, when Congress convenes on Jan. 3.

Democrats now have a precarious 49 to 47-member advantage. But it would be 48 to 48 if a Republican replaced Democratic Senator Daniel.

GOP Vice Pres. Richard Nixon can vote in case of a tie. Therefore this one vote, which Texas could bestow upon him, in a round-about way . . . could determine the balance of power. Most important of all, it could decide which party could organize the Senate and appoint the all-important committee chairmen.

This possibility puts Gov. Allan Shivers in the national spotlight again. And Senator Daniel.

Texas' conflicting election laws have clouded the issue as to whether Governor Shivers legally can call a special election before Jan. 15. That's when Daniel takes office as governor. This because Daniel's letter of resignation from the Senate specifies Jan. 15 as the effective date of his resignation.

Shivers contends that inasmuch as Daniel did not resign, effective immediately, there is no vacancy until Jan. 15. Daniel argues that Shivers has the power to call an election. Both point to different provisions of the poorly drawn election code.

Unless Congress is in session, a governor cannot make an appointment to fill a vacancy. Therefore, should Senator Daniel resign effective today, Shivers could not name a successor until Jan. 3 . . . opening day of the new Congress.

Shivers feels that Daniel should resign outright, thus paving the way for an immediate election. The governor is required to call an election within 90 days from the effective date of the resignation, and not before 30 days have elapsed. This means that the governor could call for an election in December — or he could designate a January or February date.

Whatever course Daniel pursues, Shivers undoubtedly will

have a chance to appoint a temporary replacement. First, because Shivers is not likely to call for a December election. Second, if Daniel submits a new resignation before Jan. 3, effective immediately, Shivers automatically can name a successor on Jan. 3. And third, if Daniel sticks to the Jan. 15 date, Shivers will have from 12:01 a.m. on the 15th until Daniel is inaugurated at 12 noon, to name a successor.

Drought Authority Given
Gov. Shivers has been authorized to designate Texas farmers eligible for reduced railroad rates.

Secy. of Agri. Ezra Benson asked the governors of seven drought-stricken states to indicate persons qualifying for this aid.

Railroads have offered free return transportation for cattle shipped from dry areas to western grazing areas. Designated persons also can receive a 50 per cent reduction in rates on hay shipped from western states to drought regions.

Farm Income Up
Improved methods have kept Texas' overall farm income up, despite drought setbacks.

Cash income for January through September totaled \$1,108,000,000, an increase of \$13,000,000 from last year, reports the University of Texas Bureau of Business Research. Average for the dry years of 1951-55 was six per cent above 1947-49.

Irrigation, conservation and improved crop varieties are credited for the increase. Some areas, the bureau noted, have not had a major crop in five years. Offsetting these are such areas as the Panhandle-South Plains region where "spectacular results" have been achieved with irrigation.

Shivers Buys Home
When Governor Shivers becomes Mr. Shivers next January, his family will move from one historic Austin mansion to another.

He has purchased Woodlawn, 103 year-old residence bought by Gov. Elisha M. Pease when Pease retired from office. Seller

was R. Niles Graham, grandson of Governor Pease.

Known locally as "The Pease Mansion," the 17-room antebellum home still contains century-old furnishings. Its new owners plan only such remodeling necessary to accommodate their family.

Construction Spiraling
An all-time record for 1956 with a healthy boom carrying over into '57 is foreseen for the Texas construction industry.

Awards through October totaled \$1,049,179,948. This was only slightly less than the total for the whole 12 months of 1953, the highest previous year.

October awards of more than \$84,000,000 did not include a Texas Highway Department contract letting. This means the November figure, with two months of road contracts, likely will be large.

Bond Election Upheld
State Supreme Court has upheld and clarified a new law for unlimited issuance of bonds by school districts.

Validity of some \$75,000,000 in school bonds was affected by a test case from Hamilton County.

Voting in bond elections is limited by the Constitution to property-tax payers. An act for school bond elections passed by the legislature further restricted voting to those who had rendered property on the county tax roll.

High court ruling removed this restriction, but upheld constitutionality of the rest of the law.

Short Snorts

Nov. 29 has been proclaimed as Texas' Thanksgiving Day by Governor Shivers. This is in accordance with legislative action setting the last Thursday in November as the state's official holiday. Federally, Nov. 22 will be observed . . . Construction of a \$30,000,000 federal dam and reservoir at San Angelo has been approved conditionally by the State Water Board. Law requires recommendation by the governor also before the project can be undertaken by the Department of Interior . . . U. S. Dept. of Agriculture has upped its estimate of Texas 1956 cotton crop to 3,600,000 bales, a 140,000-bale increase over last month's pre-

diction. But the new total is still under last year's crop of 4,039,000 bales . . . Dollar value of Texas farm and ranch land increased one per cent during the past year, compared to a three per cent gain for the nation. Average acre value of Texas rural land was estimated by USDA at \$63.13. National average was set at \$88.65. . . John B. Nations succeeds Asst. Atty. Gen. John Davenport as president of the Texas Public Employees Assn.

Mrs. Alexandrina Ahr returned to her home Sunday night after a week's visit with Mrs. R. E. Haby.
Clarence Huegele and son, Colvern, were in San Antonio Saturday.
Mrs. Idella Tschirhart visited with Mrs. Olen Haby and son, Douglas, Wednesday afternoon.
Mrs. Josephine Flathouse and daughter, Caroline, of Castroville, and M&M Arnold Haby of Pipe Creek visited Mrs. R. E. Haby Tuesday.

Mrs. Mary Etta Berry Celebrates 90th Birthday

Mrs. Mary Etta Berry, a resident of San Antonio since 1923, was guest of honor at a covered dish luncheon on Sunday, October 21, given in observance of her 90th birthday. Some fifty-four guests made the occasion an especially happy one for Mrs. Berry who resides with her son and daughter-in-law, Mr. and Mrs. Thomas J. Berry, 610 Essex in San Antonio. She is well known in Hondo.
Mrs. Berry, nee Mary Etta Collins, was born in Bastrop, Texas, on Oct. 21, 1866. Her parents were Mr. and Mrs. W. C. Collins. She was the oldest of a family of seven girls and two boys, and the only living child. She has one sister-in-law, Mrs. Lydia Collins of Abilene, who came for the celebration; one niece and three nephews.
She was married May 2, 1888 to John Hawkins Berry of Bertram, Texas. To that union was born eleven children, two dying in infancy. She and her husband resided in Bertram until 1906, at that time moving to Hondo. Four years later Mr. Berry passed away leaving her to rear nine children. Seven of her children are still living. They are Mark, Charlie, Tom and Raymond, all of San Antonio, and her daughters, Mrs. Estelle Miller of Boerne, Mrs. Pearl Dodd Corley of Langtry, Texas, and Miss Lola Berry of Los Angeles, California. Step-daughters are Mrs. Bill Long of Houston and Mrs. Mary Shell of Bertram. Fourteen grandchildren and eleven great-grandchildren complete the family circle.
An avid baseball fan, Mrs. Berry never fails to see that the radio is on when the San Antonio Missions are in action. Until three years ago, when her eyesight failed, she spent many happy hours crocheting and piecing quilts. She has been a member of the Methodist Church since 1888.
Out-of-town guests in addition to Mrs. Collins were Mrs. Donald Pitts, Nancy and Sue, Breckenridge, Texas; John Miles Collins, Rusty and Donald, Ballinger, Texas; Mrs. Estelle Miller, Mr. and Mrs. Miner Adams, Mr. and Mrs. Gerald Saxton and Mr. and Mrs. Gene Haas, all of Boerne, Mr. and Mrs. J. W. Hall and Mrs. Laura Griffin of Devine, Mrs. J. W. Hall Jr., Nancy and Betty Jo of San Marcos, and Mr. and Mrs. J. M. Corley of Langtry, Texas.

By Mrs. R. R. Koch
(Delayed)
M&M John Fischer Sr. of near Castroville, M&M Bernard Zinsmeyer and sons, Leonard and Robert, of here, visited their grandson and son, Anthony Zinsmeyer, at St. John Seminary in San Antonio Sunday.
Charles Vickery, Vocational Agricultural teacher, and a group of FFA boys, Patrick Mechler, Butch Reus, R. J. Koch, C. J. Keller, Allen Zuercher, Gary Hutzler, Robert Hargroder, Emmett Keller, Frank Louis Koehler, Augustin Guajardo and Guadalupe De La Fuente, attended the FFA District Leadership Contest at Hondo High School Saturday.

NG Has New Enlistment Regulations

The National Guard has put into effect new enlistment regulations. All men who are non-veterans and do not have three years of high school education, must take an I. Q. examination before joining a National Guard unit.
Every fifth non-veteran joining must sign up for six months army basic training before his 20th birthday. If the fifth man is a veteran, he does not have to take the six months training and the cycle starts over again.
The plan was sent down from Washington, with the idea of putting better trained men and more efficient men in Ready Reserve units. Men signing before they are 18½ years old are still draft exempt provided they stay in the NG until they are 26 years of age and participate satisfactorily in regular drills.
So far, Hondo's Heavy Mortar Company is keeping up its strength and still growing. There are 70 enlisted men and six officers in the unit now.
A benefit dance will be held Saturday night, Nov. 10, at the Guard armory, to raise money to build sidewalks around the armory building. Music will be provided by the Melotones and admission is \$1 per person.

"PLEASING YOU IS OUR BUSINESS"

Air Force Offering New Deal

The US Air Force is offering re-enlistment advantages to both prior Air Force men and service men from other branches of the Armed Forces. The benefits are based on grade in which discharged, AFSC or MOS and length of time since discharge.

Men with scarce or needed fields have several choices of bases in the US or in one of four overseas theatres. Men with surplus skills will have the opportunity of selecting their career fields, and, in most cases, are sent direct to a technical school in the field of their choice.

Many prior service men will find that they are eligible to re-enlist in grade, or with loss of only one grade.

The Air Force also offers young men with no prior service the chance to train in a career field that will prepare them for a well paid job in civilian life. And under a new Air Force program, they may select their Air Force Career Field prior to enlistment, spend only four weeks at Lackland Air Force Base and then be sent to an Air Force Technical School in their field. All of this will be guaranteed to the young man in writing before he enlists in the Air Force.

Sgt. Lee Rankin opens his office at the Hondo Post Office on the first and third Tuesday of each month.

Young Adults Plan Bazaar And Supper

Young adults of the first Methodist Church have set the afternoon and evening of Thursday, Dec. 6, for their annual Mexican supper and bazaar.

At work on bazaar plans are Mrs. J. W. Hollaway, Mrs. George Gilbert, Mrs. Bill Smith and Mrs. Bill Fly. All sorts of fancy work, gifts, Christmas decorations and doll clothes will be on sale during that afternoon.

The committee on the Mexican supper includes Mrs. W. B. Hedge, Mrs. Chester Heyen and Mrs. Harry Herring.

All funds derived from the project will go to the educational building fund of the church.

SETTLEMENT NEWS

By Carmen Bayer

M&M Erwin Biediger, Kay and Vickie Ann, M&M John Schuehle Jr. and daughter were Sunday dinner guests of M&M Philip Haby at Mico.

Mrs. Emma Tschirhart of Three Point visited Tuesday with Mrs. Edson Oefinger and children, and Mrs. Lina Fuos.

M&M Rudolph Bayer, Ralph, Dorothy, Carolyn Bendele and Dorothy Jean Wurzbach of Rio Medina went to Seguin to visit with their daughter, Carmen, at Texas Lutheran College and also attend the Homecoming football game there. The TLC Bulldogs played the University of Corpus Christi. Before the game, the Homecoming queen and her court paraded across the field on their respective floats. At the half, the TLC band marched during which time the queen received a lovely bouquet from the king, who was one of the football players. TLC twirlers did some fancy twirling with fire batons. After the game, many students and ex-students attended the free dance at the TLC gymnasium. Many ex-students made new friends and met old friends and fellow students.

M&M Allen Haby visited with M&M Harvey Haby in San Antonio. M&M Louis Giambernardi of San Antonio, and M&M Forrest Horecka of Hondo spent Sunday with M&M J. M. Horecka and family. M&M Albert Schneider spent Sunday with M&M Elmer Biediger, and Shiela and Adolph and Raymond Biediger. M&M Louis Mehr spent Sunday with the Eugene Jungman family. Mrs. Lina Fuso visited Saturday with Mrs. Rosa Carle and family then spent the weekend with M&M J. D. Schweers. M&M E. A. Mechler of Castroville, visited with M&M J. D. Schweers Friday evening. Mrs. Angeline Burger was a San Antonio visitor Friday. Mrs. Philip Haby visited with the Elmer Biediger family Wednesday. Mrs. Lina Fuos visited briefly with Mrs. Ben DeJornio Sr. Thursday afternoon. M&M R. H. Bayer, Ralph, Dorothy and Carolyn Bendele visited with M&M Rudolph Posch Sunday afternoon.

HERE IN HONDO

M&M Hugh Cameron and Pat of San Antonio were out Sunday visiting the Sam Moss family. Mrs. Emmett Cameron and Miss Mary Ruth Cameron.

M&M Frank Williams spent Saturday through Monday at El Dorado where they visited Mrs. Williams' brothers and families, M&M Gus Love and M&M Preston Love.

It will be Lt. Tommy Hollmig come Sunday when he has to report to Fort Bliss for a couple of years of military service. He is to attend Guided Missile School. Tommy has been assistant county agent up in Kaufmann County.

M&M Roger Russell of Devine were Sunday guests of M&M Jim Duncan.

M&M Rudy Sprott of the Fabian Garrison ranch are moving to town. They have purchased the home of Bobby Joe Graff.

Hondo Youth Attend Lutheran Convention

One of the highest mountain ring, Vickie Sue and Myron Saathoff, Cindy Schuehle, Diane Convention of the WMF was presented Nov. 7 at 2 p.m. in the Municipal Auditorium, San Antonio.

Hondo Junior Lutherans played leading parts in "My Father's Business", a musical review of the work of the Junior thank-offering, written, trained and staged by leaders of the North and South San Antonio groups of the Junior Missionaries.

This program will be long remembered by all who were present. Songs of praise, woven together with the story of what the Junior thank-offering has accomplished and presented with the sweet freshness of childhood gave the feeling of the true presence of God.

Children from three years to school age sang, "When Jesus was a little boy" and "A Child of God". They were David Beard, Deborah Dale, Robert Fohn, Cathy Graff, Lana Sue Grell, Joyce and Sherrill Moehring, Barbara Ann and Tange Saathoff, Katherine Schlenz, Clyde Schuehle, Blake Stephens, Nelwyn Ward, Phyllis Wilson and Verlyn Wiemers. Tommy Stephens did the free prayer.

Gaynelle Dale and Russell Beard were chosen best of the North and South groups doing the main dialogue. They were assisted by two children from Seguin.

Gaynelle and Russell brought the program to a close by standing under the spotlight as they reached an outstretched hand to the statue of Christ and the other to the kneeling children from all over the world.

Teachers are Mrs. Floyd Ward, Mrs. Leslie Schlenz, Mrs. Claude Schuehle, and Mrs. Victor Saathoff.

New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains
with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Alcan run supervised, certified by the AAA.

Proved on the Alcan Highway
Champs of every weight class!

D'Hanis Trounces LaPryor

D'HANIS — The D'Hanis Cowboys, using their deceptive multiple "I" offense to almost perfection, trounced the LaPryor Bulldogs 58-28 at Sabinal Saturday night, making its first victory over LaPryor in five years. The Cowboys from D'Hanis made it one for one, for their new coach, Bernard Gerhardt.

The potent Cowboy attack was sparked by the brilliance of Frank Ortega who flashed his heels for eight touchdowns (a new record). Five of Ortega's touchdowns came on runs of over 50 yards.

Ortega did everything except allow himself to be tackled. Joe Langford, 170 lbs. of defensive dynamite, led the defensive alignment along with Othell Batto, G. Gallegos, C. Edmondson, R. Garcia, Junior Tovar, and David Finger.

Langford electrified the crowd with a dazzling 65-yard kick-off return in the second period, knocked LaPryor's giant players down like ten pins and made the fundamentals of the game look easy.

Roman Garcia "the fourth man in the starting backfield" came in on three separate occasions with a play from the bench, which was good for a Cowboy touchdown each time. Garcia, who alternates on offense and defense, handled the pitchout and deception like "Houdini".

D'Hanis' other touchdown came on a short pass from Ortega to Batto, who rambled down the sidelines and blasted his way into the end zone. Batto also added one extra point on a smash inside the end. Other extra points were added by T. G. Gallegos and G. Tovar on pass receptions.

It was the last game of the season for the Cowboys who lost only one district game all year, that a heartbreaker to Nueces Canyon, who last week scored in the last 40 seconds of the game to nip D'Hanis and win the district championship.

HERE IN HONDO

Home from Waco for a week-end visit with their parents, the Sam Lanham, were M&M Mike Lanham and M&M Sammy Lanham.

Mail...

(Continued from page 1)
giving full details on domestic postage rates and fees. Stock up on stamps at the same time. Also, ask for free labels reading "All For Local Delivery" and "All For Out of Town Delivery", so Christmas cards can be sorted and tied in two separate bundles with the addresses all facing one way.

A modest investment in heavy wrapping paper, sturdy empty cartons, strong cord and craft paper adhesive tape will pay big dividends in safe deliveries of cherished Christmas gifts.

To include Christmas cards or letters inside packages with gifts, add the appropriate First Class mail postage to the postage for the packages themselves. This combination mail service recently introduced by the Post Office Department insures simultaneous arrival of your gifts and greetings.

Only Christmas cards carrying three cents, or six cents Air Mail postage, may include a personal message. Nothing more than a signature is authorized on cards mailed at the two cent Third Class rate, and return address should be on every Christmas card envelope — this is socially correct, and helps both sender and receiver keep mailing lists up-to-date.

After gift wrapping and packing is complete and Christmas cards addressed and stamped, plan mailings so that those for the most distant points go first. Try to get all long-distance mailings into the Post Office before Dec. 10 and those for nearby points should be mailed by Dec. 15.

Rev. Jones Will Visit In Hondo

The Rt. Rev. Everett Holland Jones, Bishop of the Diocese of West Texas, will be in Hondo Sunday morning, Nov. 18 to visit St. David's Episcopal Mission for its first anniversary. The celebration of Holy Communion and a sermon by Bishop Jones will be conducted at 8 a. m. at Hondo Air Base Chapel Annex, and a cordial invitation is extended to all who wish to come.

Episcopal services have been held regularly at the Air Base Chapel Annex at 8 a. m. for the past one and one half years, but it was on Friday, Nov. 18, 1955, that St. David's Episcopal Mission, Hondo, was officially organized with the visit of Bishop Jones and Bishop Earl Dicus, suffragan bishop of the Diocese of West Texas.

Shortly thereafter, the Rev. Mr. Chris Kehl of St. George's, San Antonio, was appointed priest-in-charge of the Hondo mission and has since been coming to the chapel annex the first Sunday of each month for celebration of Holy Communion. Remaining Sunday services are conducted by Russell Blair, lay minister of St. Christopher's, Bandera. Blair is also conducting a class of instruction each Sunday morning at 9:30 at the A. K. Stryker residence in Hondo.

Turkey Shoot Winners Are Named

Miss Kathleen Lamon was \$50 richer Sunday, following the annual Turkey Shoot and Supper at Our Lady of Grace School, LaCoste. First place award was \$50 cash.

Other winners included Patrick Lamon, second; Wilfred Hutzler, third; Paul Nentwick, fourth; C. J. Regamonti, fifth; Mrs. Pearl Gerloff, sixth; Mrs. Mary Gross, seventh; Patrick Lamon, eighth; Mrs. Alfred Grace Kauffman, tenth. Five other awards were given.

Winners in the turkey shoot included R. A. Biediger, W. C. Dickman, Daniel Andreas, Pat Mangold and J. H. Bippert, in the first five places. Twelve winners were named in the turkey shoot.

Here in Hondo

Gay Nel and Jo Del Muenink spent Friday with their grandmother, Mrs. Katie Muenink, while their parents, M&M Edgar Muenink of Charlotte, attended the Pears all — Hondo football game.

M&M Ray Ward and children, Lloyd and Amy Sue of San Antonio, and M&M Montgomery and sons, David and Dennis of Jourdanton, visited with Mrs. Amanda Ward Sunday.

PAGING THE LADIES

Mr. and Mrs. Harold Frank Hartman

Shower-Tea Honors V. Wurzbach

A Miscellaneous shower-tea, honoring Miss Velma Wurzbach, bride-elect of Harold Keller, was given in the Legion Hall, Castroville, Wednesday, Nov. 7.

Receiving guests were the honoree, her mother, Mrs. Frank Keller, mother of the groom; Mrs. Frank Wurzbach and Mrs. Bertha Hoffmann, grandmothers.

Miss Patsy Keller and Miss Connie Koehler registered about 200 guests in the bride's book. Miss Fanny Lea Wurzbach served cake and Mrs. Milton Leibold served coffee.

Hostesses were Mesdames Emmett Wurzbach, Milton Leibold, Ronald Keller, Harley Haegelin, Leon Tschirhart, Harry Haby, James Gussen, Fred Wernette, Johnny Hoffmann Jr., E. J. Keller, R. J. Hoffmann, R. L. Tschirhart, C. J. Schott, Alex Jungman Jr., Rudolph Tschirhart, Alfred Schmitt, Herbert Keller, Floyd Haby, Milton Bendele, Andrew Kempf.

F. J. Dallal, Ernest Adams, Raymond Ehlinger, U. B. Kempf, E. J. Conrad, R. J. Schott, E. R. Lafferty, E. M. Jungman, James Haby, Ervin Bourquin, Helena Keller, Fred Koehler, John Biediger, Dan Burrell, R. W. Stein, G. B. Hans, Wilfred Tschirhart, Bernard FitzSimon, and Charles Green.

The wedding will take place in St. Louis Church, Castroville, Nov. 25.

Hondo Air Base Gab

By Mary Soyars

Hello! This is our first article in the Hondo Anvil Herald. We will try to cover tid bits from various departments concerning happenings and goings-on from Hondo Air Base. Several scouts have been engaged to help gather news from their particular departments and with the help of everyone, we will try to keep you posted on activities. H. B. Zachary's Lake near Laredo was reserved last weekend for TAI personnel and their immediate families for fishing. Camphouse and boats were also available. The following took advantage of this invitation:

Materiel Dept., Lawrence Huser, Richard Kile, Morgan Johnson, J. W. Thompson, and families.

Instructors F. W. Brown and G. M. McFadden left HAB Nov. 5 for Gary AFB in San Marcos, accompanied by their families.

Safety Awards have been presented to the following Flight Instructors for flying one year without accident: C. F. McDaniel, K. N. Woods, J. N. Lockard, F. W. Brown, L. L. Sleyo, Kenneth Clapham, A. G. Padgett and J. K. Stambaugh.

Base Maintenance

Three wrestling minded gentlemen, Jack Compton, Henry Muennink and George Mansfield, attended the wrestling matches in San Antonio last Wednesday night.

They have first handed information on all up-to-date holds.

Jack and Ollie Mae Compton visited in Corpus Christi over the weekend and holiday. Mrs. Cecil Nuckles and son, John Albert Nuckles were in San Antonio

Monday. Headquarters

Mary Ann Boehle, Credit Union, and Harold Hartman were married Saturday, Nov. 10, in Quihi Bethlehem Lutheran Church. Reception was held in Dunlay. We hope all their troubles will be little ones. PBX Operator Verna Newcomb left by bus Saturday on a two weeks vacation to Phoenix, Ariz., to visit with her sister and family. M&M W. T. Rice, and on to Las Vegas, Nev., for a visit with her daughter and family, M&M Jack Matthews. Verna promised she would be careful about the one armed bandits. R. C. Boward and Capt. H. J. Maynard were still wearing the effects of their make-up from last Monday night's football game at the office this week. They sympathize with poor females who have to wear it everyday.

Donald Fulton is a new member of TAI and will be with the Materiel Dept. M&M Floyd Saathoff and daughter visited her sister and family, M&M C. L. Wernette and family in Corpus Christi over the weekend and Monday holiday. Evert Garlow spent the long weekend with his family in Waco while M&M Karl Sluyter and daughter, Kay, spent the weekend and Monday in Cuero.

Sunday, Nov. 11, the Chaplain held try-outs for the selection of talent for the Christmas Pageant. Sunday, Nov. 18, has been announced as the day for the Annual Thanksgiving Chaplain barbecue. This is open to all religious denominations who use the Chapel for worship services.

Boehle-Hartman Rites Held In Quihi Church Nov. 10

Miss Mary Ann Boehle, daughter of Mr. and Mrs. John Bohlen, Dunlay, became the bride of Harold Frank Hartman, son of Mr. and Mrs. Fritz Hartman, Hondo, in a double ring ceremony held at the Bethlehem Lutheran Church, Quihi, Nov. 10, 1956.

The bride chose a ballerina-length gown of lace and nylon tulle. The scalloped lace of which the bodice was made, formed tiny scalloped sleeves and a "V" neck at the back. Pleated nylon tulle formed a sweetheart neckline at the front. The bouffant skirt of knife pleated tulle had overlays of scalloped lace panels. Her lace gauntlets formed points over her hands. The short veil of bridal illusion edged in lace was attached to a tier of pearl orange blossoms.

She carried a cascade arrangement of white carnations. Mrs. Roy Bohlen served as matron of honor and wore a dress of dior blue pima silk with matching shoes and half hat. She carried a cascade bouquet of red carnations and ivy. Roy Bohlen served as best man.

The church altar was decorated with two large arrangements of white gladioli and lighted candles. The bride's mother chose a brown crepe dress with brown accessories and a pink carnation corsage, while the groom's mother chose a blue dress with black accessories and a red carnation corsage.

A reception, immediately following the wedding, was held in the home of the bride's parents. Decorations consisted of yellow mums. The serving table held a lace cloth with a centerpiece of white mums. Lighted candles completed the decorations. Mrs. Roy Bohlen served the three-tiered wedding cake, which was adorned with pink roses and miniature bride and groom. Other refreshments consisted of sandwiches, potato chips, nuts, punch and coffee. Emaleen Saathoff and Mrs. Ehme Saathoff served.

For going away, the bride chose a pink brocade suit, pink hat and gloves, brown lizard shoes and bag and a purple orchid corsage. The couple have made their home at 3003 Ave. H, Hondo, following a short wedding trip.

Both the bride and groom are graduates of Hondo High School.

CORRECTION

In last week's write-up of a shower-tea honoring Miss Mary Ann Boehle, bride-elect of Harold Hartman, Mrs. Ehme Saathoff, Mrs. Harold Bohlen and Mrs. Willie Grell were omitted from the hostess list. An omitted line error should have read, "Mrs. John Bohlen, mother of the bride-elect, and Mrs. Fritz Hartman, mother of the groom."

Here In Hondo

Among the college crowd home for the weekend were Dorothy Leinweber, Marilyn Bendele and Gayle Knight of SWTTC, Richard Schulte, Monte Williams and Jerry Muennink of University of Texas and Pete Angermiller, A&M.

FRANCES BOEHLE became the bride of Glen Haass in a double ring ceremony Saturday morning, Oct. 20, in St. Louis Catholic Church, Castroville. Miss Boehle is the daughter of Mrs. Mary Boehle of Hondo, and Haass is the son of Mr. and Mrs. Charles Haass, Devine.

REMEMBER WHEN

November 10, 1906

At the 1906 general election the county polled a total of 1064 votes. C. C. Harris won the District Attorneyship by a vote of 833 to 153 for his opponent, J. A. Eames.

Phil C. Jagge and sister, Miss Mae, were in town on business Tuesday.

Rev. C. J. Bradley was here from Buda visiting his mother at the home of his brother, Dr. B. R. Bradley. The Reverend preached at the Methodist Church Sunday.

Mr. and Mrs. Phil L. Wernette and their son, Wilfred, were over from Castroville Thursday visiting relatives.

The following constituted the petit jury for the Nov. 2 term of District Court for the week: Ed Hutzler, Alfred Nester, August Weyand, W. C. Beal, Otto Koenig, John Crutchfield, Charles Winkler, Chris. Griffin, Jos. Short, Joe Langfeld, Arnold Wurzbach, Chas. Gaines, Jacob Fohn, Adolph Haby, Peter Weyand, Willie Heyen, John Fohn, E. Schreiber, Richard Wallrath, Adolph Nietenhoefer, Gus Breiden, John Balzen, Geo. Bohmfalk, Louis Metzger, Albert Pichot and Henry Schulte.

In the 1916 election there were polled in the County for the Democrats, 758 votes; for Republicans, 655; Socialists, 23; and Prohibitionists, 7. Ferguson carried the county with a vote of 850 to 512 for his opponent, R. B. Crager.

George Schuehle carried the precinct for Public Weigher by a vote of 264 to 165 for H. H. Crow and 110 for H. J. Heyen. Thad Gilliam had the misfortune to get his right hand so badly mashed in a hay baler that it had to be amputated.

C. A. Oefinger, Joe E. Tschirhart, Chas. Metzger, Paul Keller, Leo Bohl, Henry Frerichs, Alfred Nester, Henry Decker, O. A. Cockrell, Ben Koch, J. S. Fly, W. T. Atkins, T. M. Johnson, Rich. Wallrath, F. D. Muennink, M. P. Teomey, F. J. Wurzbach, Joe Lutz, A. L. Neuman, A. F. Peters, Hy Kueck Jr., L. J. Fingert, Marvin Beal, W. C. Martin and Jacob Fohn were jurors for the week in District Court.

Miss Goldie Hurt had just returned from a visit to her sister, Mrs. T. A. Stevenson, in Eagle Pass.

Watson Bros. of Biry sold their store and saloon to Emil Biry and Jack Bilhart.

November 13, 1926

"People from every direction of the compass" poured into Hondo Thursday for the Armistice Day Celebration. The event was staged at the Fair Grounds. Prof. W. N. Saathoff substituted for the guest speaker, Hon. Wayne Davis, who failed to appear on account of Federal Court at Laredo. Several horse races were run. F. G. Senne's Black Streak taking a \$50.00 purse for 2-year olds.

In the November 2 election the county polled 1454 votes. Garner for Congress received 920 votes to his opponent's, Jefferies, 264. Moody for Governor received 765 to 404 for his Republican opponent, and 1 for Smith, Socialist.

A mass meeting was called for Monday night to consider the matter of incorporating the town. Heat from the kitchen flue set the Armstrong Hotel on fire Thursday afternoon. Fortunately the iron-clad roof and brick walls held the flames somewhat in check until the fire-boys reached the fire with the hose. Little damage was suffered.

year service as Pastor of the Hondo Methodist Church. "We shall never forget our old friends in Hondo," wrote Rev. Hull in his farewell.

Among recent visitors to Hondo were noted Rev. and Mrs. Stewart Cleudeunin and little daughter, Mary Ann of Gilmer, Mr. and Mrs. Walter Karrer, baby of Porto Rico, Mr. and Mrs. Thomas Taylor of California, and Clinton Jagge from the University.

Armistice Day celebration had to be postponed from the 11th to Sunday the 15th on account of inclement weather.

Miss Irene Hawkins, Home Demonstration Agent organized a Demonstration Club at Dunlay on Nov. 4th. Officers elected were President, Mrs. F. J. Zerr; Vice-President, Naomi Steinle; Reporter, Mrs. Mina Meyer. A large membership was enrolled. The Owls tied with the Del Rio Wildcats 7 to 7 at Cowboy Park in Del Rio in a football game.

November 8, 1946

The Southwest District Meeting of the Catholic State League was held at D'hanis Sunday, Nov. 3. Roll call by District Secretary Charles Langfeld showed a nice representation from the district's affiliated organization. Upon invitation of Father Lenzen, pastor of St. Louis Church, his church was accepted as the place for the next meeting of the League.

Mrs. Christine Mayberry, sponsor of the 4H Clubs, named Josephine Rihn, Grace Ann, Franger, Evelyn Friesenhehn, Velma Rihn, Nancy Walker and Patsy Delevan to attend with her an achievement bouquet in San Antonio on the night of Nov. 22nd. Rev. H. Ellis Thomas was re-assigned for another year by the conference to the pastorate of the Methodist Church. The congregation had "made the most outstanding record of its nearly 90 years history during his pastorate."

Howard Haby was elected County Clerk, defeating S. A. Jungman who had filled the position for the preceding 36 years.

The month of October had had seven rainy days, but save a fall of 2.10 inches on the ninth, the precipitation was less than an inch on each of the other six days.

November 13, 1926

"People from every direction of the compass" poured into Hondo Thursday for the Armistice Day Celebration. The event was staged at the Fair Grounds. Prof. W. N. M&M George Kunze, M&M Wilfred Ahr, M&M Edrich Kunze and son, Miss Roberta Walker and Miss Lena Geiger were supper guests of M&M L. M. Pittman and children at Dunlay Thursday.

Mrs. Alvina Salzman and n d grands on, Pat Griffin, were Lytle visitors Saturday.

SOUTH TEXAS VEGETABLE Day enthusiasts stopped in Hondo November 1 on their tour of South Texas drumming up business for their show Nov. 10. Many San Antonio and Castroville vegetable growers were among the group, which headed for Uvalde from Hondo.

HOW MUCH SHALL I SAY?

In a classified ad say as much as is necessary to completely describe what you are offering of goods or services, little more. Be brief, concise, complete. Tell all you would like to know if you were the prospect.

Facts are what count in a classified ad. Superlatives are to be avoided. Readers of classified pages are looking for something. If you have it and your copy adequately describes it, leaves no question in prospect's mind, you will get action... a sale if terms are right.

A buyer looking for something in classified pages will read most of the ads to find it. The judicious use of display type, a little white space at top and bottom, the boxed ad — as in display ads on these pages — command attention, adding to the pulling power.

Say what is essential in your ad; use display space where competitive advertising dictates the need.

Bob Bayer Will Head Castroville's FFA

Officers for the Castroville FFA for 1956-57 are president, Dick Bob Bayer; vice-president, Dick Bob Bayer; secretary, Tommy Bippert; treasurer, David Neuman; reporter, Temple Mangold; sentinel, Gregory Nuckles; and advisor Eutha C. Evans.

To raise funds, the chapter is feeding Duroc barrows for market. The approximate weight of each pig is 150 pounds or over. To take care of future financial needs the chapter discussed the possibility of a rodeo or a dance.

A bottling company recently installed a new type machine in the Agriculture Department, the only one of its kind on this particular route. It serves several different flavors of drinks.

At the Oct. 19 meeting, the chapter elected its sweetheart, but her identity has not been made public.

The FFA invited the FFA to its Christmas party, but, of course there was a catch; the FFA has to furnish the tree.

The regular meeting of the Castroville FFA Chapter was held Monday, Nov. 6. The president, Mary Gail Griggs, received reports from members who attended workshops at the various District Meetings. Becky Thornton gave a report on how to make school bulletin boards and show windows attractive; Jane Cullison honorary membership; Bonnie Evans, how to work on your degrees; and Jackie FitzSimon, Projects for the year. Plans were made for the Betsy Ross Party to be given Nov. 18 in the homemaking room. Chapter mothers will be honored guests. Members will make a Texas Flag and repair the school's United States flag. Favorite recipe cookies, with hot chocolate, will be served.

Friday night, during the half-time performance of the Castroville — Sabinal game, the Wildcats co-captains, Tommy Bippert and Dick Fletcher, selected Bonnie Nell Haby, Senior and Majorette, as the Castroville Wildcat Sweetheart and presented her a bouquet of mums. Mary Ann Bayer, head cheer leader, then selected Paul Haass Jr., as the pep squad's boy friend.

Becky Thornton, Barbara Haby and Jo Nell Riff are practicing on a trio to be played at the next meeting of the Band Boosters' Club this month.

Thomas Garza's ring finger of his left hand was broken in three places during the Sabinal — Castroville game. He will be able to play in the game against Brackettville Friday.

The junior class has selected April 27 for its Senior-Junior Prom.

The new tape recorder purchased by the PTA was put into use this week, when students recited lines of poetry they had memorized.

Sixth Grade

The sixth grade held a class meeting Friday and elected officers. They are president, Marcello Gill; vice-president, Mary Johnson; secretary, Sylvia L. Green; treasurer, Sylvia L. Lee; Betty Burges, Beverly Nestor and Doris Elaine Saathoff; and sergeant-at-arms, Johnny Solis. Class meetings are the last 30 minutes of school each week. You are invited to drop by.

"AGE DOES NOT DEPEND ON YEARS, BUT ON TEMPERA- MENT AND HEALTH"

—(Author's name below)—

Medical science is rapidly conquering many of the killers that have plagued mankind. Small Pox, Typhoid, Diphtheria, Malaria, and now even Polio are being controlled.

Your age should be measured, not by your years, but by how well you have taken care of your self. Your temperament should be better because you know that your health can be better if you consult your Physician frequently and follow his advice. We carry the medicines that will help you keep young.

Castroville News

By Mrs. W. R. Griggs

A. Mann, the barber entered a San Antonio hospital for a minor operation Thursday.

M&M Henry Canty of Laredo, were visiting relatives in Castroville over the weekend.

M&M Art Tarver and children spent Sunday in Villa Acuna, Mexico, attending the Bull fight.

Don't forget the Castroville Band Boosters Dance at Medina Lake Saturday, Nov. 10.

J. W. Rihn of Devine is visiting his sister, Mrs. Ronnie Keller, this week.

Mrs. Katherine Mumme visited in Boerne Sunday.

M&M Edgar Giese of Alice, Misses Laura and Kathryn Kralik of San Antonio and Mrs. Will Ambrose also of San Antonio, visited their mother, Mrs. Walter Kralik, over the weekend.

Mrs. Bernice Estes of San Antonio, visited her parents, M&M L. Otto over the weekend.

Those attending the Texas — SMU football game Saturday were M&M Wendell Griggs, Mary Gail, Ray and Nathan, Melvin and Junior Bippert and A. C. Wurzbach.

M&M Ellis Burges were Saturday dinner guests of M&M Eugene Elmore.

Louise Rothe of Freer, was visiting Carl Richter and family Tuesday.

Charles V. Green is on a ferry trip to Sacramento, Calif., and while there will visit Mrs. Green's sister and family, M&M W. P. White and son.

RIO MEDINA NEWS

By Mrs. Clarence Huegele

Mrs. Howard Zimmerman and son, Eddie, Mrs. Edmond Zimmerman of San Antonio visited Mrs. E. B. Haegelin and Mrs. Marvin E. Haegelin and children Thursday afternoon.

Mrs. Alfred Wurzbach visited Misses Katy and Clara Wurzbach Sunday.

Misses Katy and Clara Wurzbach visited M&M Edwin Wurzbach Wednesday.

M&M Clarence Huegele and son, Morgan, were in Hondo Monday morning.

Deer Herds Provide Prime Hunting Game

Surprisingly well-conditioned deer herds will provide prime hunting when the big game season under the general state law opens Nov. 16, according to the Executive Secretary for the Game and Fish Commission.

He said all field reports agree that deer, reflecting characteristic ability to withstand extreme drought, are in the main "getting fat".

The Executive Secretary said bountiful rains have revived badly needed green stuff to augment the diet of the animals which had regained pretty good condition from a substantial acorn crop.

Emphasis was made that no such optimism prevails concerning the wild turkey, ordinarily a favorite Texas target.

"There's going to be plenty of prime venison on the hoof," said the Executive Secretary, "but our wild turkey population is still far below normal. Turkey simply cannot stand the weather extreme like deer."

Turkey hunting has been generally restricted in advance plans; with many ranchers curbing prized gobble shooting pending a return to normalcy.

The taking of antlerless deer, proved desirable under modern game management practices, has been extended this fall. Approximately nine thousand permits for antlerless deer hunting are being distributed, mainly in the principal deer range in the Hill Country, Medina, Mason, Gillespie, and Llano are the Hill Country counties again authorizing hunting a deer of both sexes as a means of reducing over-population and sparing the range.

A number of antlerless deer permits are being issued in Bosque County of the Possum Kingdom regulatory responsibility area, and in Red River County of the northeast Texas special group of counties. Similar facilities are contemplated in Culberson County in far west Texas where both mule and white-tailed deer prevail.

Game management authorities will observe the coming season with unusual interest, said the Executive Secretary, because of the recently completed hunting

and fishing survey authorized to bring outdoor harvest statistics up to date.

Heretofore, he said, estimates had placed the annual big game harvest at "something less than fifty thousand deer." The survey, based on an accurate hunter contract, indicated the annual harvest would comprise in the neighborhood of one hundred thousand deer. Other estimates place the state's combined deer herds total around seven hundred thousand deer. Other estimates place the state's combined deer herds total around seven hundred fifty thousand head.

One feature of the annual deer season this fall will be the conducted public hunts on three key game management areas where altogether 336 deer of both sexes and 50 javelina will be taken as a means of removing the surplus game from the experimental-demonstration places.

LaCoste Club Holds Meet October 26

The LaCoste Home Demonstration Club met at the home of Mrs. Frank A. Bohl Tuesday, Oct. 26, with 11 members, one visitor and Mrs. Estella Strayhorn present.

The meeting opened with the Club's prayer and roll call, followed by the selection of the Club's outstanding Woman of the Year. Mrs. Francis Echtle was selected.

Mrs. Strayhorn, had a program on "Plan 3 a day" and also gave a very interesting report on the highlights of the National home Demonstration Convention held in San Antonio Sept. 24-27.

The hostesses then served anniversary cake, candy and coffee, as the club's anniversary is Friday, Nov. 2.

The next meeting will be held Nov. 13, at 1:30 p.m. at the home of Mrs. Francis Echtle.

LaCoste News

By Mrs. Ida Jungman

Mrs. Mary Saathoff of Hondo, is visiting with M&M William F. Neuman, Mrs. Saathoff is Mrs. Neuman's sister.

M&M George Zinsmeyer of here, were at Rio Medina on business Monday.

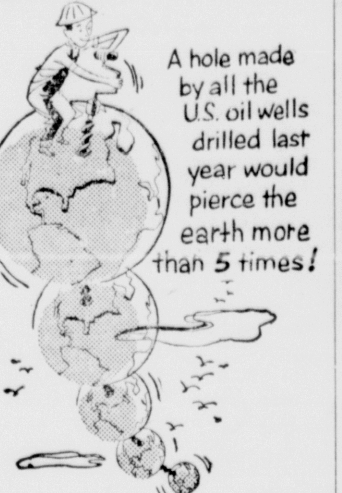

M&M William J. Engelbrecht and sons, Barry and Tommie, of San Antonio, visited with Mrs. Ida Jungman, and Mrs. Helen Burrell in Rio Medina Sunday.

Mrs. Freda Halbardier, of San Antonio, spent the weekend here with her cousins, M&M George Zinsmeyer.

M&M Paul Keller, M&M W. D. Schott of Devine, Mrs. Ralph Noonan, Mrs. Nora Schuele, of Hondo, M&M Hy Haegelin, M&M Alfred Schmidt of Rio Medina, and many others were here for the church turkey supper and celebration.

Calling on Miss Elon Traylor here Sunday afternoon was her brother-in-law and sister, M&M W. R. Allen Jr. of New Braunfels.

It's a fact that:

A hole made by all the U.S. oil wells drilled last year would pierce the earth more than 5 times!

Outlook For Hunting Improves With Rain

AUSTIN — The outlook for fall hunting has improved in Texas but some of the driest areas have not had substantial moisture, according to the Executive Secretary of the Game and Fish Commission.

He said conditions still "are far from normal" and that unless heavy rains come to strategic areas, such as the upper Gulf Coast, the fall harvest will be hard hit.

DAWSON'S
5c to \$1.00 Store

"The principal deer range in the Hill Country has been getting enough showers to stimulate badly needed green stuff for the whitetails' diet," explained the Executive Secretary.

"In fact, our field reports indicate that deer already are showing the benefits, which give hopes that much of the venison will be prime when the open season under the General State Law opens November 16."

"The waterfowl picture likewise has improved," he added. "But we must remember that drought-imposed conditions were so unfavorable that the only change possible would be for the better."

Rains, reaching heavy proportions in places, have restored water tanks and some lakes to attract migrating waterfowl, said the Executive Secretary, but major critical areas still are as dry as ever. He said he referred particularly to the Upper Coast, once the favorite spot of countless thousands of ducks and geese.

"Our waterfowl man, Biologist Robert Singleton, just reported that an aerial survey is mainly negative," he said. "The duck count is just a fraction of what it should be. Some of the Houston area has just been added to the drought disaster relief program for the first time. As an example of the aridity and the consequences, Lake Surprise, in Chambers County, heretofore a perennial rendezvous for canvassbacks and other ducks, is just a small mud hole."

LaCoste News

By Mrs. R. R. Koch
(Delayed)

The LaCoste Eagles downed the Lytle Pirates 14-0 Friday night at Lytle. This week's game will be Saturday, against the St. Louis Comets on the home field. It will be the Homecoming game and will be followed with a dance at the High School Gym.

Miss Cecelia Hutzler spent Saturday with Miss Angelina Scherer and Mrs. Walter Etter and daughter of the Sauz Community.

Tuesday evening, Oct. 30, William Ahr celebrated his 91st birthday with his wife and some of his children and grandchildren present. Those present included M&M F. W. Etter of the Sauz, M&M Earl Kinsey of San Antonio, Mrs. Alice Ahr of Natalia, M&M Ralph Ahr and son, Patrick, M&M Wilfred Ahr and Mrs. William Ahr, all of LaCoste.

Refreshments of coffee, cake and sandwiches were served.

Mrs. Richard Zinsmeyer of the Sauz Community, visited here Friday afternoon with Mrs. Reba Keller.

Dinner guests of M&M Wilfred Hutzler Sr. Sunday were M&M B. J. Whiles and daughters of San Antonio, M&M Robert Hutzler and son, and M&M Leo Bendele and children of here.

M&M Harold Nester and sons of D'Hanis, and Mrs. Allen Stein and daughter of Rio Medina, visited with Mrs. Alvina Salzmann Monday.

Walter Stein and sons, Julius and Walter Jr., and Glenn Keller and son, Glenn Jr., visited here Sunday afternoon with Mrs. Reba Keller and sons, Leroy and Emmett.

Mrs. Arnold Loessberg, of Rt. 9, San Antonio, spent Monday with Miss Emma Groff and Henry Graff at Hondo.

Mrs. Ed Weimer and Mrs. Jim Denson and daughter of San Antonio, visited here last Thursday with M&M Robert Grossenbacher.

Mrs. R. A. Biediger, Carroll and Dorothy, visited M&M Alex Hitzfelder and children at Natalia Friday afternoon.

Mrs. Oscar Hutzler and sons, Gervase and Michael, were shopping in San Antonio Saturday. Mrs. Robert Grossenbacher, Mrs. Wilfred Hutzler Sr., Mrs. George Kunze and Miss Lena Geiger were among those who attended a party at the home of Mrs. J. B. Pate at Lytle Thursday afternoon.

HONDO AIR BASE FALCONS are, top row, left to right, 2d Lt. Richard O. Urdahl, manager, 2d Lt. Andrew B. Oswald, Jr., A-C Thomas W. Brake, 2d Lt. Hugh P. Williams, 2d Lt. Thomas E. Byrne, 2d Lt. Hugh N. Wilkerson,

2d Lt. Thomas C. Lynch, 2d Lt. John L. Schmidt. Bottom row, 2d Lt. Donald J. Eaddy, 1st Lt. Robert L. Dixon, 2d Lt. Edgar D. Allen, 2d Lt. Robert L. Lee, 2d Lt. John D. Miles, 2d Lt. John G. Demas, 2d Lt. Ronald L. Robins.

Rain Helps Growth

Beneficial rains fell in varying amounts over the Medina Valley Soil Conservation District this week. These rains will help range grasses make more growth and store up additional plant food in their roots before the first killing frost. Grasses which are allowed to make vigorous growth prior to frost in the fall always put out a more vigorous growth in the spring, even when there is only a small amount of soil moisture present.

vent severe over-grazing near watering places.

L. J. Leinweber recently completed a waterway and two diversion terraces on his farm. Victor Saathoff recently completed a diversion terrace on his farm southwest of Dunlay. Terraces have also been completed on the A. F. Huegele farm south of Dunlay.

Brush Control

Farmers and ranchers over the district continue to apply brush control practices. J. N. Wilson has completed 200 acres of rootplowing and range seeding on his ranch near Yancey. James A. Cameron has completed 80 acres of rootplowing and range seeding to blue panic on his ranch near D'Hanis. Don Holden, who recently purchased the S. C. Thurmond ranch in the north part of the District, has completed 200 acres of chaining to date on his ranch. He is chaining low stony hill rangeland which is heavily infected with cedar, oak, Texas persimmon and other undesirable invaders.

Farm Ponds Completed

Tom Duderstadt, Herbert Wurzbach, Wilfred Fohn, Don Holden and L. S. Duberly have recently completed farm ponds on their places. Properly spaced farm ponds on a ranch cause livestock to graze the entire ranch more evenly and help pre-

Charles Baldus is going all out to improve the cultivated land on his ranch north of Hondo. He just recently completed over five miles of terraces, a diversion terrace and a waterway on his 350 acres of cropland. Now he is planting the entire farm to winter

peas and herbon clover. Fertilizer is being applied to these cover crops at the rate of 20 pounds of 0-20-0 superphosphate per acre.

The Medina Electric Cooperative, Hondo, and the Rio Grande Electric Cooperative, Brackettville, Texas, are sponsoring an irrigation exposition at the Fair 4-H and FFA and Frio Live stock Sales Company grounds, Pearsall, beginning at 8 a.m. November 9. A free barbecue supper will be served to all attending. Everyone is urged to attend.

Castroville News

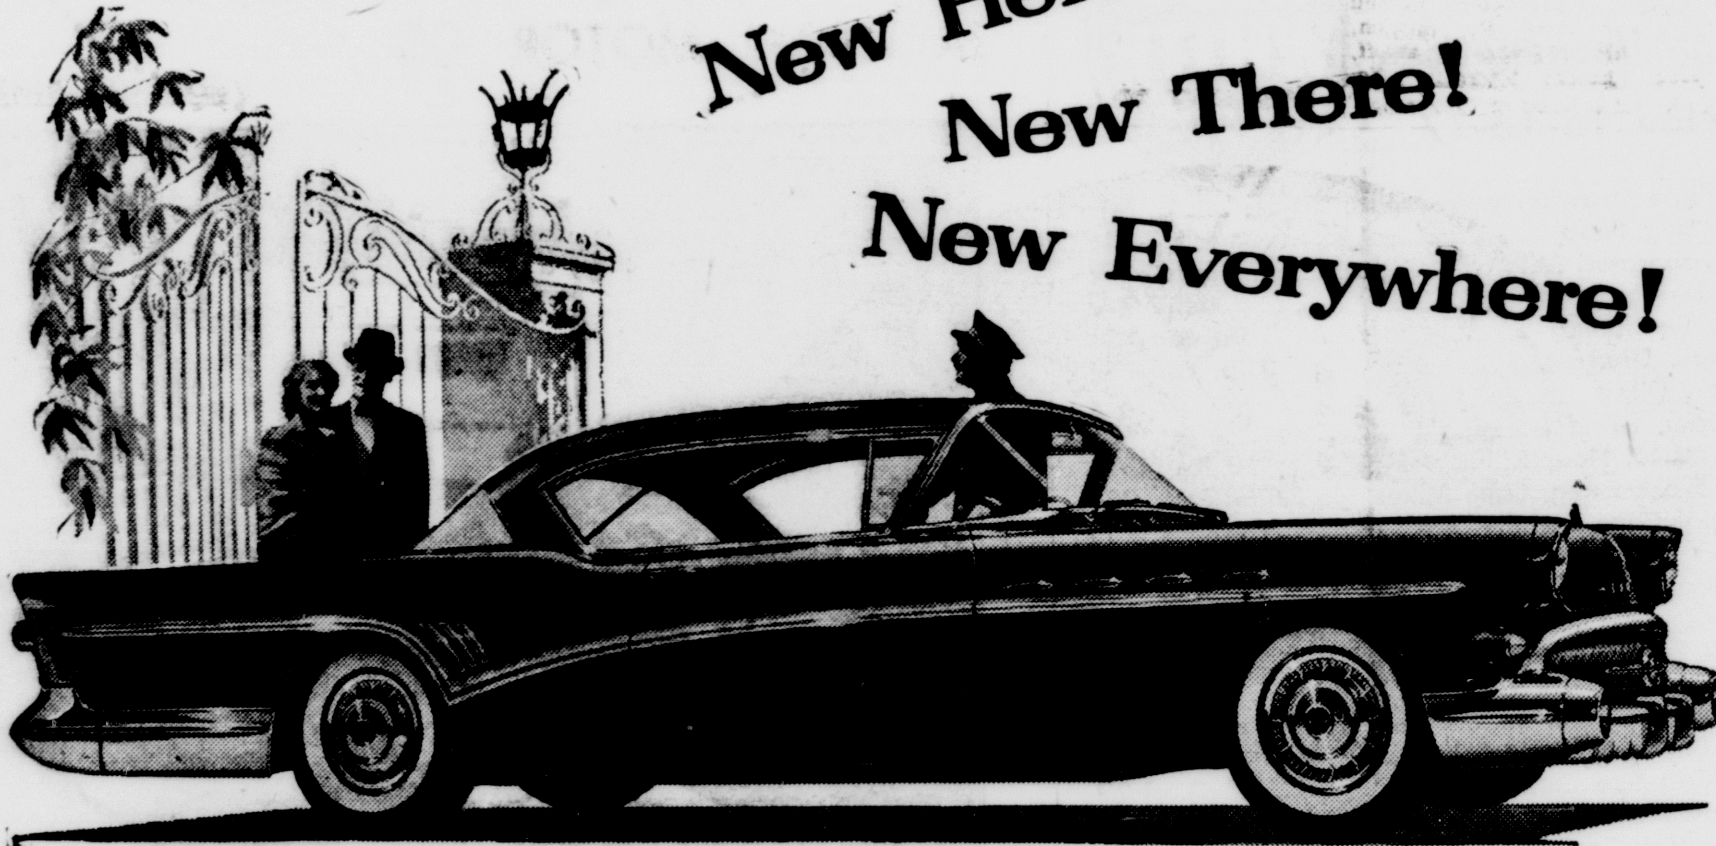

By Mrs. W. R. Griggs

Apprentice Petty Officer Ranie Earl Calloway spent his leave with his parents, M&M D. Calloway, recently. He is in the Sea Bees and is stationed at Fort Hueneme, Calif.

Mrs. Don Lawrence had a happy visit with her son, Tony Lawrence and family in Riverside and Huntington Beach, Calif.

M&M Henry Canty and son, Danny, of Laredo, visited in the Robert Tschirhart and Capt. D. Canty homes over the holidays. Lt. Gerald Kempf of Ft. Bliss spent the weekend with parents, M&M Andrew Kempf, and son, Mark.

New Here!
New There!
New Everywhere!

Newest Buick Yet

WE introduced a lot of new Buicks to the local scene—but never before one as new as this.

Inside and outside, top to toe, end to end—this is the newest Buick yet.

And it's not just new for newness itself—but new in ways that make driving more comfortable, safer and more fun.

You'll see what we mean when you study these gorgeous new Buicks close up.

They're inches lower and stunningly styled from stem to stern—yet each is wondrously roomy inside.

They bring a wide-eyed new visibility of the road ahead with a rakish windshield that adds hundreds more square inches of glass area.

They're new in ride, with a new contour

frame chassis that "nests" your going—giving new roadability with a lower center of gravity—yet road clearance is unchanged.

They're new in handling with a new Buick-developed ball-joint suspension that makes steering and cornering easier while it levelizes braking.

But above and beyond all else—these 1957 Buicks are brand new in performance:

—with a V8 engine that's completely new from the crankshaft up, to give you the highest horsepower and compression ratios in all Buick annals.

—with an advanced new Variable Pitch Dynaflo* that brings you such instant response, such smoothness, such a full

range of fluid motion in "Drive" that the need for "Low" is all but eliminated.

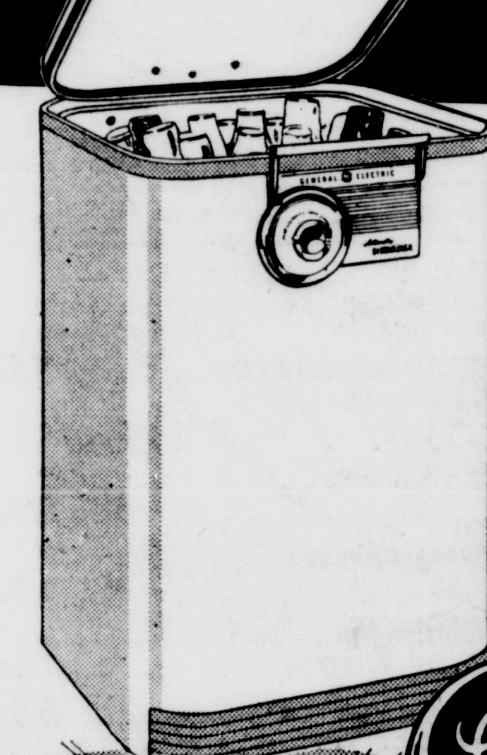

All this covers only the big advances in the 1957 Buick.

There are other wonderful new things to see—the new safety instrument panel—the new dip-center steering wheel—the lavish new color-mate interiors—the new counterbalanced brake pedals—well over a hundred and fifty new features in all.

As your Buick dealer, we're ready and eager to tell you the full story of these newest Buicks yet—and how easy you'll find it to call one your own. Stop in and see us this week.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Cattle Sell Fully Steady This Week

Stocker and feeder cattle sold fully steady to strong in the Southwest this week. Country prices looked at least steady although trading was so slow and scattered as to make accurate comparisons difficult; terminal markets quoted high quality replacements strong to as much as \$1 higher as numbers of receipts dropped sharply and demand was strengthened to some extent by improved moisture conditions.

Meanwhile, slaughter steers and heifers continued weak to lower; other slaughter classes were generally steady, instances strong to 50 cents or more higher. Good and choice mixed calves sold in the country as high as \$18 and \$20, but mostly \$15 to \$17 for heifers and \$18 to \$19 for steers. High good and choice steer calves sold up to \$22.50 at some central markets. Good and choice steer yearlings in Texas and New Mexico country trading sold at \$16 to \$18, high quality lightweights at the upper figure; comparable heifers brought \$14 to \$16. Order buyers reported the Southwestern range country well sold out of good quality calves and yearlings, and only small, scattered bunches remain to be traded on during the rest of the year.

Iota Upsilon Holds Meet November 1

Iota Upsilon Chapter held its regular business and educational meeting in the home of Frances Folse, Thursday, Nov. 1, at 8 p.m. The educational program for the evening was Health Education, presented by Loretta Browning.

Walnut sprinkled cake squares and coffee were served to members and guests. Hostesses for the evening were Frances Folse and Barbara Farnsworth. Flower arrangements of yellow mums were used in several rooms. The Chapter will raffie a Madame Alexander doll and complete wardrobe Dec. 8. The doll will be on display in the local Chamber of Commerce window Nov. 20. The purpose of this raffie is to raise funds for the Chapter's local philanthropic projects. Tickets are received with each 50 cent donation from any of the following members: Mesdames, Tad Eubanks, Sadie Kilmen, Barbara Farnsworth, Betty Robison, Loretta Browning, Frances Folse, Willa Been, Flo Robinson, Frances Mims, Nar Atkinson, Joan Eagan, Penny Dodds, Dixie Beard, George Smith, Mary Jo Patterson, Cind Myers, Mary Stambough, Nen Malone and Sylvia Cunningham.

QUIHI News

M&M Alfred Schulte honored their son, Leroy, and their granddaughter, Diane Schneider, with a barbecue Sunday. Leroy is at home on leave from the US Navy. Diane was six years old Nov. 12. Others enjoying the day were M&M Henry Schulte and Richard, M&M Minnie Wiemers of San Antonio, M&M Otto Wiemers, M&M Alfred Schulte Jr. and Donna, M&M Marion Schneider, Diane and Sharon, M&M Louis Mazurek and Brenda, Mrs. Roy Dailey, Judy Hartmann, Bobby Ward, and Sonny, Tommy, David, Ruth and Carolyn Schulte. M&M Frank W. Graff and Diana, and M&M Frank A. Graff visited M&M Joe Graff and children and M&M James Graff and children in Dallas over the weekend.

M&M R. J. Koch and children, Mike, Kyle and Sezie, of Ft. Worth, were weekend visitors of their parents.

M&M Franklin Muennink and children, Glenn, Karen, and Debbie, were Sunday dinner guests of M&M Alfred Boehle and Carolyn.

Leroy Schulte of the US Navy will return to San Diego Wednesday. In San Diego, Leroy will attend school for the next 32 weeks. M&M Willie Nietenhoefer were Sunday dinner guests of M&M George Hartmann.

M&M Clarence Saathoff and sons, Leonard, Howard, and Richard were Saturday evening visitors of M&M Earl Balzen and sons, Henry and Gary.

Sunday evening visitors of M&M Henry Loeseberg were M&M Chris Nietenhoefer.

Rev. and Mrs. Durkop were Monday afternoon visitors of M&M Elbert Wiemers. Visitors in the Fritz Hartmann home were M&M James Moss and Connie of Hearne and M&M Jay Hartmann of Refugio.

Those who enjoyed a turkey dinner Sunday with M&M Robert Koch were M&M Joe Pichot of San Antonio, M&M Charles Koch and Diane of Poth, M&M R. J. Koch, Mike, Kyle and Suzie of Ft. Worth, M&M Milton Highsmith and children, Ray, Barbara, Kay, Jim and Claude, M&M Floyd Koch, Brenda and Riva, M&M Cecil Bates, Betty and Dorothy, M&M Leo Highsmith, Leona, Carol, Susie and Linda, Miss Sara Moore, and M&M Jack Sharp.

Mrs. Arnold Lindeburg visited Mrs. Albert Neuman Tuesday afternoon.

Mrs. Albert Bryant and children were Wednesday afternoon visitors of Mrs. Edson Oefinger.

M&M Clarence Bohlen, Cordell and Glenn, M&M Roy Bohlen, and M&M Clarence Saathoff, Leona, Leonard, Emabelle, Howard and Richard enjoyed a bar-

becue supper with M&M Ehme Saathoff, Emaleen, Loretta, and J. E. Sunday.

M&M Arnold Nietenhoefer were Saturday evening visitors of M&M George Hartmann.

Sunday afternoon visitors of M&M Charles Schweers were M&M Theo Wiemers, Miss Annie Wiemers, Mrs. Erwin Bohmfalk and Charlotte, and Mrs. Willie Hartmann.

Mrs. Alfred Saathoff and daughters, Willie, Dolly and Patricia, and Mrs. Arthur Schulte and Lonnie were Monday visitors in San Antonio.

M&M C. C. Cave and children, Bill and Beverly spent the weekend visiting with Mrs. Cave's parents in Melvin and Mr. Cave's sister and family in Eden. Bill and Beverly remained with their grandparents.

M&M Arthur Schlentz were Sunday afternoon visitors in the

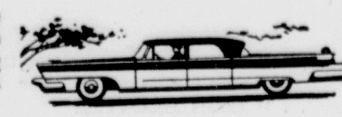

home of M&M George Hartmann. Mrs. Frank Muennink and Joyce Wiemers were Tuesday visitors in San Antonio.

Willie Poehler was a Monday afternoon visitor in the George Hartmann home.

The Lutheran League of the Quihi Lutheran Church enjoyed a hay ride on Halloween night. Twenty-six members and visitors met at the Church. From there they went to Castroville where they enjoyed "Trick or Treat". They enjoyed a wiener roast at the roadside park on the hill from Castroville. The young people are grateful to a lumber company for the use of a truck, which Alfred Saathoff and Arthur Schulte took turns in driving.

M&M Jimmy Gray and children were Saturday visitors in Austin and Sunday visitors in Victoria.

Big, wide, bulky cars like this are typical of American design. But, to get room inside, they are too big outside for today's traffic, too wasteful of gasoline.

**SPEAKING
OF
SPORTS**

By Dr. John H. Jennings

Like my friend Frank Holden said before and after the Pearsall game, "If you want to beat the Owls in District play, you had better not advertise it so much. Carrizo tried it last year and Pearsall's gonna get it this year." Both games were very similar. The Owls were fired to the hilt and came off with overwhelming wins. It was Hondo's 40 to Pearsall's 12 which gave Hondo a record of three straight District Championships and 21 games without a scoreboard defeat! All of which is a lot of record for the '56 Owls to defend.

A Real Stem Winder
The Owls took the field with just an excess of fire and desire. Pearsall might have been too. Maybe to the extent that they were too tight to maneuver. It was a TEAM victory, but too much credit cannot to Coach's Buck Carver and James McDaniel for the way they pointed and planned for this game, and to the scouts of Bob Nations, Tom Mosely and Cliff Sadler. Then, as much as anything, the school spirit had a lot to do with it, too, the cheering section was spontaneous and genuine, as well as loud. The fans were up to the occasion too. It takes it all to win the BIG ones, and BIGGER ones are coming up!

Things Happened Quick
The Owls lost the flip (8 of 9 times this year) but that was all that went against them for the night. Tilley kicked off and made a blasting tackle. Three plays later Johnny Windrow fell on a fumble, after a vicious Owl tackle. This set the stage for the first TD on the Pearsall 32. Seven plays later the score came. Windrow got 3, Highsmith 3, 6 and 2, then two incomplete passes before Hartman hit Billy Neuman with an 18 yard pass off toss. It was a beautiful pass and catch. Pearsall fumbled two more times and the last time Gary Schweers and Joe Torres covered to start the Owls off again. It took two plays, a 6 yard pass to Highsmith, then a 19 yard TD run by Butch Woolls. So, it was two scores with the game 6 minutes old.

The next score covered 56 yards. It started with a 25 yard pass gain from Hartman to Neuman. Woolls got 4 and 9. Windrow 3 before Hartman went wide to his right for a 15 yard TD. On the play just prior to this TD, Butch Woolls and Pearsall's Henry Martin were escorted out of the game, and from what we understand was a decision that the official was a little hasty on. This ended the first quarter scoring at 20 to 0.

The Owls scored one TD in the second quarter on a 58 yard drive. Windrow plowed for 15, Potsavich got 1 and Hartman 1. Three passes got 41 yards and were the big gainers as Hartman hit Neuman for 15 and 8 yards before finding Windrow for an 18 yard TD. Half time score was 26 to 0.

The Last Half
The fifth Owl score covered 71 yards . . . 40 rushing in 8 plays and 3 passes that got 31 yards. Billy Potsavich went over from 5 yards out after the play was set up by an 18 yard pass from Hartman to the ever hustling Billy Neuman.

The final Hondo tally covered 63 yards on 12 rushing plays and one pass of 9 yards to Windrow. Potsavich was the big gainer here as he carried for 10, 13, 1, 8, 5 and finally 13 yards for his second TD.

The Pearsall Scoring
The Pearsall scoring came after the Owls had 40 points. Coach Carver unloaded his bench and Pearsall went driving 70 yards for a score. This was four minutes into the fourth quarter. The second Pearsall score came

after covering an on-side kick-off, then after two losses, Ernest Chacon got lose for a 53 yard TD jaunt . . . this with the Owls first unit in.

Owls Turn Tiger
Last Friday, the Owls were as worked up and as ready as any Hondo team that ever stepped on a football field. The best way I could describe it would be that when Tilley kicked off it was like turning a bunch of hungry tigers loose on some raw meat. The week before, by comparison, the Owls were like a pack of old toothless tom cats . . . with heart trouble. It should be clear to them NOW what their attitude should be EVERY Friday night.

Butch Woolls and Pearsall's tackle, Henry Martin, were escorted off the field by the officials, 3½ minutes before the end of the first quarter. I have heard a number of views, but not the official who called it, and Butch might have been unjustly dealt with. The official no doubt called what he thought he saw. He just got the wrong view.

Billy Potsavich filled the Little Bull's HB spot in proud fashion. His play left little to be desired. Billy played himself a real fine ball game. He scored two TDs from 5 and 13 yards out and carried 10 times for 60 yards. End Billy Neuman is always a game standout. He caught 5 passes for 76 yards and 1 TD, and his receptions helped set up other scores.

Everyone was a standout, the opposite of last week, but again Guard Joe Torres was in on a lot of tackles. Guard William Reus was in on about everything too and Tilley was hustling. The defensive tackles of Wiemers and Schweers did not allow much traffic their way. Windrow, Bohmalk and Hartman manned the end defense and Pearsall got nothing there.

Pearsall fumbled four times during the first quarter and it hurt them a lot, but the fired up Owls had a lot to do with this. Some would call it "breaks" but fumble or not, the Owls would have racked up a decisive victory last Friday and no doubt about it.

Windrow covered the first fumble, Hartman covered the next one, then Schweers and Torres were on top of the next and the fourth was zeroed in by Curtis Wiemers.

Hartman Hot
Everyone was a standout Friday but certainly no one could overlook the performance of Big Alvin Hartman. He not only called a fine ballgame after just getting over the mumps, but his passes were again beautiful. He completed 10 of 16 for 130 yards, good for 2 TDs and set up another on the 5. His season record now stands at 41-82 for 841 yards and 11 TDs with NO interceptions. He mixed things up real good by carrying a season high of 18 times for 90 yards AND he played an outstanding defensive game!

Some might say we talk and built Hartman up too much . . . that the other Owls might resent it. To this we say BOSH. These '56 Owls are eleven boys out for ONE purpose . . . EACH one has his job assignment . . . and the better each does his job the more success the TEAM will have and if it makes Alvin or Woolls or Highsmith or Neuman or Windrow look better, then that's just fine for it pays off with victories.

Look at the season individual scoring . . . all is equally divided . . . no one is out to hog the show. To GO in the State Play-off you have to have a TEAM united as one, and this the Owls are.

Because we have the record to give, Hartman may be mentioned more than the other boys in the out of town papers. Since

Hondo is a winner, the papers want names and records. It is hard to impress them with the tackles Schweers, Tilley, Reus, Wiemers, etc. have made, or the blocking of Koch, etc. Alvin HAS an outstanding record and we will exploit it some. Hartman can take it and the Owls KNOW it is just as much THEIR record too . . . 21 games without a scoreboard defeat. One or two or three boys aren't responsible for that . . . it takes ELEVEN.

Bi-District Game
Blanco and Hondo coaches met in San Antonio to flip a coin on which town would be host. However, Blanco liked Hondo's set-up so well that they decided they'd like to play here.

Game will be on Friday, November 23, at Barry Field, 8 p.m., and aren't you glad we don't have to travel!

Hoots Win Finally
Coach Bob Nations' Hoots won their season finally last Thursday as they brought a 33 to 0 victory back from Carrizo. It gave the Hoots a 3-3 District record and a 4-3 season record.

Louis Schmitz got the first TD with a 30 yard quickie over center on the first play from scrimmage.

The second score was a pass from QB Cliff Sadler to Charles Neuman that covered about 45 yards. Sadler threw three passes, one complete for a TD, one incomplete and one intercepted.

Pellar Cantu got the third Hoot score from 5 yards out and this was followed by a 6 yard smash over center by Charles Neuman for TD No. 4.

The fifth score was rung up by Cantu on a 30 yard run. Schmitz ran for two extra points and Charles Neuman one. Neuman also got off a quick kick for 50 yards.

The Hoots changed their offense for the game as they ran from the split "T" and the spread, and as the score indicates, it was pretty effective. Sooo, that winds it up for the Hoots, and for a number of them, the next time out will find them as Owls!

Falcons Win Two Lose One

Hondo Air Base's Falcons have defeated two of their first three season opponents.

First victory for the basketballers came Nov. 5, when they scored a 72-57 win over Kelly Air Force Base. The Falcons outplayed and out-scored the Kelly team all the way. Early season predictions showed that Kelly would have a strong team and be more of a threat to the power-

The other win came Nov. 12, as Hondo edged Randolph Air Force Base 72-70. First string guard Ron Robins was unable to play due to illness and several Hondo players thought this was a handicap to the team.

Their only defeat came when Kingsville Naval Air Station slipped in a two pointer as the final whistle sounded and took a 60-58 win from the Falcons. The Falcons were slow starting, with a 37-16 lag at the half. After the half, Hondo gradually pulled up and in the fourth period led by six points. The score stayed within two points of each other for the last five minutes of the game.

The Falcons will tackle St. Mary's University at San Antonio Monday night. Their next home game will be Saturday, Nov. 17, with Lackland Air Force Base. Game time is 8 p.m. and admission is free.

St. Louis, LaCoste Duel to 13-13 Tie

The St. Louis Comets came from behind on a 55-yard pass play to tie the score and then drove off two touchdown bids in the fourth quarter to hold the LaCoste Eagles to a 13-13 tie Saturday night. It was bruising line play all the way, with both lines fired up for their big game. The Comets, if anything, seemed a trifle over-anxious as fumbles and penalties proved costly.

The Comets won the opening kickoff, but could not move against the 9-man line that the Eagles used for most of the evening. Midway through the first quarter, the Eagles, starting on the Comet 40, in five plays scored from the 5. Garcia set up the touchdown with a 17 yard run to the 8 and Reus carried over from the five.

Royce Groff returned the kickoff to the 50 and soon the Comets were down to the 18 on a pass from Groff to Bobby Tschirhart. But the LaCoste line and a 15-yard penalty moved them back to the 35 where they lost the ball on downs. In the second quarter, the Comets recovered the ball on a fumble at the Eagle 39. It seemed that the Comets would be halted again as they could move

the ball only 5 yards in 3 plays. The Eagles loosened up when the Comets went into punt formation and Groff went around right end for 32 yards to score. Espino's kick was a good, moving the Comets in front 7-6. That was the way the first half score stood.

LaCoste took the kickoff in the third quarter and was halted in their tracks. The Comets, however, gave the ball back to them on a fumble, and the T-formation plays of the Eagles began to grind out first downs all the way to the 1, from where Reus again scored. The conversion was good and LaCoste was in the lead for the second time 13-7.

The Comets came bursting back to tie it up. After Groff had returned the kickoff to the 35, the Comets worked their way down to the 45. Then Justin Jungman got behind the defenders to take a pass on the 30 yard line and outrace them to the goal. The try for point failed.

In the fourth quarter, the Eagles dominated play as they put on two good drives. Garcia, Mangold and Reus continued to chew up short yardage until they were near the goal. Both times, Comet defense stiffened and halted the

Eagle attack. The game ended with the score still standing at 13-13.

The game was the last of the season for St. Louis, who wound up with a 7-2-1 record. LaCoste rolled for 184 yards on the ground and completed one pass for 10 yards. They picked up 14 first downs. The Comets made 147 yards on the ground and 80 in the air. They picked up 8 first downs.

Natalia Mustangs Win 20-13 Game Thursday

Natalia's Mustangs took a hard-fought tussle from the Comfort Bobcats 20-13 Thursday night at their annual homecoming game at Natalia.

It was Natalia's last home game remaining on this year's schedule — they meet LaCoste Nov. 16 at LaCoste.

The first Mustang touchdown came in the first five minutes of play, when Jimmy Putman went around left end for six yards after Natalia had marched down field with a series of short ground gains. The try for point after failed and Natalia led 6-0.

The Bobcats were knocking at the door from the one foot line when the whistle ended the first quarter of play. On fourth down try, and from the one foot line, John Sweeney plowed through Mustang defenders to score for the visitors. Try for point after failed and the score stood at 6-6.

Natalia's next touchdown was set up when Comfort drew a clipping penalty, pushing them back to their own one yard line. They were forced to quick kick, which went high. In two plays from scrimmage, which was the 20 yard line, Putman carried for 7 yards around left end and George Rautes racked up six more points on a 13 yard run around right end. This time, try for point after was good and the Mustangs led 13-6.

No scoring plays were run in the third quarter and both teams exchanged punts several times. In the fourth quarter, however, the Mustangs worked the ball to the four yard line before Raute

went through the middle for his second touchdown of the evening and then added the extra point to make the score 20-6.

The final touchdown of the evening came on a pass completion to Roy Marquart, good for 55 yards and a touchdown. Point after was good and the final score read Natalia 20, Comfort 13.

Happy Birthday
